Rosendorf Quartet A Novel:

The Rosendorf Quartet Nathan Shaham, 1991 Four German Jews all refugees from Nazi Germany and all first rate musicians arrive in Palestine in the 1930s There they join a symphony orchestra which although made up of Europeans serves as a propaganda vehicle for the Zionist state in the making Unable to express themselves within this melting pot orchestra they join together to form The Rosendorf Quartet In this compelling and provocative novel awarded Israel's prestigious Bialik Prize for Literature Nathan Shaham examines the plight of these refugees who must adjust to the old new land a place fraught with political struggle and impending violence Kurt Rosendorf the quartet's founder and first violin would like to believe that his true homeland is music Forced to leave his Christian wife and daughter in Berlin he cannot adjust to life in Palestine and tries to live outside history and geography Konrad Friedman second violin is a young Zionist who constantly battles the urge to renounce the European cultured life of the musician and dedicate himself to the Jewish cause Bernard Litovsky the cellist is tired of wandering and longs for firm ground and a sense of home The fourth in the quartet is the stunning Eva Staubenfeld whose beauty and sexual liberation baffle and mesmerize her colleagues Relieved to be far from the abuses of her past she is furious that the accident of being born Jewish has disrupted her life Uniting the four is Egon Loewenthal a brilliant and underrated German author who has survived Dachau but cannot forsake the language of his persecutors He decides that his next novel written in German will be about the quartet The Rosendorf Quartet is not only a deft portrait of the complexities and contradictions that have gone to make up the state of Israel it is also a stunning tribute to the curative powers of music in whose realm dissonance politics and personal anguish dissolve into art transcending human conflict and national boundaries Jewish Contiguities and the Soundtrack of Israeli History Assaf

Shelleg, 2014-10-15 Jewish Contiguities and the Soundtrack of Israeli History unfolds the cultural itineraries of modern Jewish and Israeli art music Extending from modern Jewish art music in Europe through its dislocation to British Palestine and Israel the book captures the tensions between national rhetoric and nationalized theological tropes through the way they have been recorded in art music Author Assaf Shelleg begins with the prehistory of Israeli art music in central and Western Europe He introduces the reader to the various aesthetic dilemmas in the history of modern Jewish art music ranging from auto exoticism to Jewish self hatred Moving on to consider the Hebrew culture he discusses the institutionalization of art music in British Palestine and the dilution of romanticist nationalism during the interregnum of Israeli statehood Delving into the proliferation of styles in the 1950s and 60s Shelleg examines the collapse of traditional Hebrew templates and the concomitant surge of linear compositional devices inspired by Arab Jewish music By the 1970s he reveals Israeli composers saw musical Judaism as a cultural discourse that transcended the nation they deterritorialized the national discourse at the same time that religious Zionist circles had been translating theology into politics Shelleg unearths the various cultural constraints and dialectics that played a pivotal role in the dislocation of modern Jewish art music to Israel and looks at the

Jewish undercurrents of Hebrew culture and how Jewish secularized concepts outgrew their national functions Jewish Contiguities and the Soundtrack of Israeli History will be essential reading for scholars of Jewish and Israeli music culture and history
