Women in Asian Performance Arya Madhavan, 2017-02-10 *Women in Asian Performance* offers a vital reassessment of women's contributions to Asian performance traditions focusing for the first time on their specific historical cultural and performative contexts Arya Madhavan brings together leading scholars from across

the globe to make an exciting intervention into current debates around femininity and female representation on stage This collection looks afresh at the often centuries old aesthetic theories and acting conventions that have informed ideas of gender in Asian performance It is divided into three parts erasure the history of the presence and absence of female bodies on Asian stages intervention the politics of female intervention into patriarchal performance genres reconstruction the strategies and methods adopted by women in redefining their performance practice Establishing a radical culturally specific approach to addressing female performance making *Women in Asian Performance* is a must read for scholars and students across Asian Studies and Performance Studies

Performing Women Alison Oddey, 2016-04-30 Alison Oddey's interviews with prominent performing women span generations cultures perspectives practice and the best part of the twentieth century telling various stories collectively Stand ups classic actresses film and television personalities experimental and alternative practitioners discuss why they want to perform what motivates them and how their personal history has contributed to their desire to perform Oddey's critical introductory and concluding chapters analyze both historical and cultural contexts and explore themes arising from the interviews These include sense of identity acting as playing recapturing and revisiting childhood displacement of roots performing motherhood and being performing comedy differences between theatre film and television performance attitudes towards and relationships with audiences and working with directors The prominent subtext of motherhood reveals a consciousness of split subjectivities with and beyond performance This new edition of the book includes three new interviews with actresses and is useful primary resource material for undergraduate students on performance studies courses

Muslim Rap, Halal Soaps, and Revolutionary Theater Karin van Nieuwkerk, 2011-12-15 From green pop and clean cinema to halal songs Islamic soaps Muslim rap Islamist fantasy serials and Suficized music the performing arts have become popular and potent avenues for Islamic piety movements politically engaged Islamists Islamic states and moderate believers to propagate their religious ethical beliefs *Muslim Rap Halal Soaps and Revolutionary Theater* is the first book that explores this vital intersection between artistic production and Islamic discourse in the Muslim world The contributors to this volume investigate the historical and structural conditions that impede or facilitate the emergence of a post Islamist cultural sphere They discuss the development of religious sensibilities among audiences which increasingly include the well to do and the educated young as well as the emergence of a local and global religious market At the heart of these essays is an examination of the intersection between cultural politics performing art and religion addressing such questions as where how and why pop culture and performing arts have been turned into a religious mission and whether it is possible to develop a new Islamic aesthetic that is balanced with religious sensibilities As we read about young Muslims and their quest for a cool Islam in music their struggle to quell their stigmatized status or the collision of morals and the marketplace in the arts a vivid varied new perspective on Muslim culture emerges

Inter-Art Journey Nurit Yaari, 2015-04-01 In recent years inter medial studies have attracted increasing attention in arts theory The

notion of inter mediality presupposes that each established art such as theatre painting and cinema indicates the existence of a particular medium which preserves its distinct features in translations from art to art and especially in its combinations with others in single works Nonetheless this field of research is presupposed already in the traditional studies of ekphrasis which focus on the verbal accounts of nonverbal works of art and in Wagner's notion of Gesamtkunstwerk This renewed interest generated new fields of research such as a the likelihood of the arts reflecting common grounds b the necessity of a shared metalanguage b the possibility of inter medial translation and d the inter medial coexistence within a single work of art without hindering the reading interpreting and experiencing abilities of receivers In honor of Eli Rozik Ph D professor emeritus former head of the Department of Theatre Studies and Dean of the Faculty of Arts Tel Aviv University this collection provides overviews of all these theoretical issues and tackles the contemporary practical questions that arise from attempts to transgress the boundaries between the established disciplines of arts studies Considering first the theoretical aspects of inter art inter mediality and nonverbal literacy Exploring the Common Grounds of the Arts goes on to discuss by means of performance analysis dialogues between the arts within a single work and correspondences between visual and auditory stimuli in musical contexts It concludes with a discussion of practical examples of inter mediality in religious representations official processions and public performances

Adapting Idols: Authenticity, Identity and Performance in a Global Television Format Dr Joost de Bruin, Dr Koos Zwaan, 2012-12-28 Since the first series of Pop Idol aired in the UK just over a decade ago Idols television shows have been broadcast in more than forty countries all over the world In all those countries the global Idols format has been adapted to local cultures and production contexts resulting in a plethora of different versions ranging from the Dutch Idols to the Pan Arab Super Star and from Nigerian Idol to the international blockbuster American Idol Despite its worldwide success and widespread journalistic coverage the Idols phenomenon has received only limited academic attention Adapting Idols Authenticity Identity and Performance in a Global Television Format brings together original studies from scholars in different parts of the world to identify and evaluate the productive dimensions of Idols As one of the world's most successful television formats Idols offers a unique case for the study of cultural globalization Chapters discuss how Idols shows address particular national or regional identity politics and how Idols is consumed by audiences in different territories This book illustrates that even though the same television format is used in countries all over the globe practices of adaptation can still result in the creation of unique local cultural products

The Power of Laughter Eric Weitz, 2004 Essays on comedy in contemporary Irish theatre **The Palgrave Handbook of the History of Women on Stage** Jan Sewell, Clare Smout, 2020-04-29 This book brings together nearly 40 academics and theatre practitioners to chronicle and celebrate the courage determination and achievements of women on stage across the ages and around the globe The collection stretches from ancient Greece to present day Australasia via the United States Soviet Russia Europe India South Africa and Japan offering a series of analytical snapshots of women performers their work and the

conditions in which they produced it Individual chapters provide in depth consideration of specific moments in time and geography while the volume as a whole and its juxtapositions stimulate consideration of the bigger picture underlining the challenges women have faced across cultures in establishing themselves as performers and the range of ways in which they gained access to the stage Organised chronologically the volume looks not just to the past but the future it challenges the very notions of history stage and even the definition of women itself *Shakespeare, Feminism and Gender* Kate Chedgzoy, 2000-12-05 Over the last quarter century feminist criticism of Shakespeare has greatly expanded and enriched the range of interpretations of the Shakespearean texts their original historical location and subsequent reinterpretation Characteristically it weaves between past and present driven by a commitment both to intervene in contemporary cultural politics and to recover a fuller sense of the sexual politics of the literary heritage Collecting together essays which offer detailed accounts of particular plays with others that take a broader overview of the field this Casebook showcases the range of critical strategies used by feminist criticism and illustrates how vital attention to the politics of gender and sexuality is to a full understanding and appreciation of Shakespearean drama **Feminist Futures?** G. Harris, E. Aston, 2006-04-13 This work is a timely contribution to the debates surrounding feminism theatre and performance The excellent cross generational mix of theatre scholars and practitioners engaging in lively cutting edge debates on critical topics make this essential reading for students and scholars in Theatre and Performance Studies as well as Gender Studies *The Queer and the Vernacular Languages in India* Kaustav Chakraborty, Anup Shekhar Chakraborty, 2023-09-15 This book analyses regional expressions of the queer experience in texts available in the Indian vernacular languages It studies queer autobiographies and literary and cinematic texts written in the vernacular languages on gay lesbian bisexual and transgender issues The authors outline the specific terms that are popular in the bhashas languages to refer to the queer people and discuss any neo coinages modes of communication invented by the queer people themselves The volume also addresses the lack of queer representation in certain language communities and the lack of queer interaction in non metropolitan cities in India An important contribution to the field of queer studies in India this timely book will be an essential read for scholars and researchers of gender studies queer studies cultural studies discrimination and exclusion studies language studies political studies sociology postcolonial studies and South Asian studies
