Teresa and St George Littledale were an unlikely British couple who explored Central Asia in the 1890s with their fox terrier  
The Littledale s were very well known in their time for their extensive travels and exceptional adventures but have been  
almost completely forgotten this is the first book about their fascinating story St George Littledale received the Patron s  
Medal from the Royal Geographical Society but Teresa was overlooked For thirty years St George Littledale and his wife  
Teresa mounted expeditions in North America and Asia Through a Land of Extremes gives a taste for a bygone time of travel  
into uncharted unknown territory when adventurers lived by a combination of wit charm and luck Of independent means the  
Littledales began in the American Rockies Yellowstone and Alaska These trips were followed by expeditions in the late 1880s  
in the Caucasus the Pamirs Russian Central Asia and Mongolia Their greatest exploit was a 14 month journey to Tibet in  
1895 They were attempting to reach the Forbidden City of Lhasa the great unmet goal of Central Asian explorers In order to  
minimize their chances of being discovered before they neared their goal St George selected a route across the desolate  
uninhabited Tibetan Plateau At a 19 000 foot pass they were finally blocked by 150 armed Tibetans The Tibetans allowed  
them to continue over the pass to a suitable stopping place The Littledales had come within 49 miles of Lhasa closer than any  
other foreigners since 1846 This title is part of our LEGENDS AND LORE series Click here to learn more      **The Official**
