French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access World Monarchies and Dynasties includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes

**Usurpers, A New Look at Medieval Kings** Michele Morrical, 2021-10-13 This examination of six usurper kings of England and the people and circumstances surrounding them is a masterpiece of academic scholarship Midwest Book Review In the Middle Ages England had to contend with a string of usurpers who disrupted the British monarchy and ultimately changed the course of European history by deposing England's reigning kings and seizing power for themselves Some of the most infamous usurper kings to come out of medieval England include William the Conqueror Stephen of Blois Henry Bolingbroke Edward IV Richard III and Henry Tudor Did these kings really deserve the title of usurper or were they unfairly vilified by royal propaganda and biased chroniclers This book examines the lives of these six medieval kings the circumstances that brought each of them to power and whether or not they deserve the title of usurper Along the way readers will hear stories of some of the most fascinating people of medieval Europe including Empress Matilda the woman who nearly succeeded at becoming the first ruling Queen of England Eleanor of Aquitaine the queen of both France and England who stirred her own sons to rebel against their father Henry II Richard II whose cruel and vengeful reign caused his own family to overthrow him Henry VI Margaret of Anjou Richard of York and Edward IV who struggled for power during the Wars of the Roses the notorious Richard III and his monstrous reputation as a child killer and Henry VII who rose from relative obscurity to establish the most famous royal family of all time the Tudors

**The Queen Maker** Kristen Gupton, 2020-08-23 Raised the daughter of an indentured servant Thana Leoram has brought King Keiran Sipes to his knees The vampire is willing to break the law to pursue their forbidden love and she is ready to give in to her desires Before they get the chance though word of an invasion by the Sador Empire arrives The young and untested king marches off to war leaving Thana behind However Thana's mother will do anything to stop her daughter's relationship with the vampire and with him gone a plan is put into motion that will force Thana from the castle in fear for her life Not knowing who else to trust Thana flees to find Keiran following him into the fray Though she only sought sanctuary she becomes the central prize of the war itself A Sadori general realizes Thana is far more precious than Tordania's coal She will offer him a route to glory and

the painful truth of her very existence will be laid bare She will have to choose between a life of luxury in the hands of her Sadori captors or risk her life in an escape to return to the vampire she loves      **The Lost Duke** Kristen Gupton, Not all those who haunt the living are ghosts Garhan Dante Aviatrov a name erased from history His existence will test everything Keiran Sipes thinks he knows about Athan s involvement with his family With most of his family s true past hidden from him Keiran has been left with more questions than answers Now his aunt Alerian Queen Adira Aviatrov will reach out to him Needing answers Keiran is eager accept her invitation Being one of the few who know the truth about Athan s dealings with their family however has left Adira bitter She ll do anything in her power to keep another vampire from ruling Adira has no qualms with turning on family and Keiran will be no exception      **The True Christian Gospel** Orlando A. Robertson,2012-09-07      **City of Endless Night** Milo Hastings,2017-12-02 When but a child of seven my uncle placed me in a private school in which one of the so called redeemed sub sailors was a teacher of the German language As I look back now in the light of my present knowledge I better comprehend the docile humility and carefully nurtured ignorance of this man In his class rooms he used as a text a description of German life taken from the captured submarine From this book he had secured his own conception of a civilization of which he really knew practically nothing I recall how we used to ask Herr Meineke if he had actually seen those strange things of which he taught us To this he always made answer The book is official man s observation errs      **The Shaping of French National Identity** Matthew D'Auria,2020-12-03 The Shaping of French National Identity casts new light on the intellectual origins of the dominant and official French nineteenth century national narrative Focussing on the historical debates taking place throughout the eighteenth century and during the Restoration Matthew D Auria evokes a time when the nation s origins were being questioned and discussed and when they acquired the meaning later enshrined in the official rhetoric of the Third Republic He examines how French writers and scholars reshaped the myths symbols and memories of pre modern communities Engaging with the myth of our ancestors the Gauls and its ideological triumph over the competing myth of our ancestors the Franks this study explores the ways in which the struggle developed and the values that the two discourses enshrined the collective actors they portrayed and the memories they evoked D Auria draws attention to the continuity between ethnic discourses and national narratives and to the competition between various groups in their claims to represent the nation and to define their past as the true history of France      **Ancient Egypt Light Of The World 2 Vol set** Gerald Massey,2013-10-15 First published in 2005 This expansive and fascinating treatment of ancient Egyptian mythology and its influence on the traditions that followed from it includes explorations of sign language in mythological representation totemism fetishism spirits and Gods the Egyptian Book of the Dead and Egyptian wisdom in the Hebrew Genesis Readers will enjoy the wealth of information offered by Massey as well as his clear and readable style      **Papal Genealogy** George L. Williams,2004-08-25 The papacy has often resembled a secular European monarchy more than a divinely inspired institution Roman pontiffs bestowed great wealth on their families and

forged strategic alliances with other powerful families to increase their power Pope Alexander VI Rodrigo Borgia for example forced his daughter Lucrezia into a series of marriages for political reasons When her marital alliance was no longer advantageous as was the case in her second marriage her husband was brutally murdered Many papal families also intermarried in hopes of forming a hereditary papacy at least two members of the Fieschi Piccolomini Della Rovere and Medici families served as pope Papal families since the early history of the church are fully covered in this comprehensive work Genealogical charts graphically show the descendants of the popes presenting in many cases the interrelationships between the papal families and their relationships with many of the leading families of Europe Detailed histories examine the impact of the papacy on each pope s family and how each influenced the history of the church *Glory and Terror* Antoine de Baecque,2013-07-04 *Glory and Terror* is a vivid and often gory history of the darker side of the French Revolution Through an examination of contemporary visual and literary representations of executions funerals processions and ceremonies it brings the often horrific events of the time to life Honing in on seven real life cases the author recounts and interprets the public autopsy performed on the corpse of Mirabeau the exhumation and transportation of Voltaire s body to the Pantheon the public torture murder and subsequent mutilation of the Princesse de Lamballe the agonizingly slow death of Robespierre Anyone who enjoys dazzling cultural history in the vein of Robert Darnton Carlo Ginzburg and Anthony Grafton will revel in this intelligent and original work *The Golden Bough: A Study in Comparative Religion (Vol. 1&2)* James George Frazer,2023-12-18 In *The Golden Bough A Study in Comparative Religion* James George Frazer offers a sweeping exploration of mythology magic and religion across various cultures tracing the evolution of human beliefs from primitive rituals to sophisticated religious systems Divided into two volumes this seminal work employs a meticulous comparative methodology drawing connections between diverse rituals and practices thus illuminating the shared themes that permeate humanity s spiritual journey The literary style is both erudite and accessible weaving intricate narratives that engage the reader while remaining anchored in anthropological rigor The book is situated within the broader context of late 19th century scholarship responding to burgeoning interests in anthropology and comparative religion making it a cornerstone text in these fields Frazer a Scottish social anthropologist and folklorist was profoundly influenced by his studies at the University of Glasgow and his extensive travels which provided him firsthand exposure to various cultural practices His background in classical scholarship and the prevailing theories of Darwinism and evolution shaped his perspective leading him to articulate the ways in which primitive societies understood their world through symbolism and ritual The ambitious scope of *The Golden Bough* reflects Frazer s desire to foster a deeper understanding of the universality of human experience despite cultural differences I recommend *The Golden Bough* to anyone interested in the interplay between culture religion and human psychology Frazer s groundbreaking analysis encourages readers to reflect on the common threads that connect humanity s diverse civilizations making it an essential text for scholars students and curious minds alike Its profound insights challenge contemporary

understandings of religion and culture rendering it a timeless and influential work that continues to resonate in modern discourse **The Golden Bough: A Study in Magic and Religion (Third Edition, Vol. 03 of 12)** James
