Royal Irish Constabulary Officers A Biographical And Genealogical Guide 1816 19:

Royal Irish Constabulary Officers Jim Herlihy, 2005 This book lists the 1700 officers of the RIC including birth marriage and death dates the native county service if any in the British army yeomanry and militia dates of appointment and retirement resignation discharge or dismissal and a list of officers who later served as lawmen elsewhere Journal of the Police History Society No. 30 2016 Richard Cowley, 2016-09-01 **1916 - The Long Revolution** Dermot Keogh, Gabriel Doherty, 2030-01-01 Introduction by Garret Fitzgerald This book seeks to interpret the events of Easter Week 1916 as the central defining event of a long revolution in Irish history The origins of the long revolution lie in the second half of the nineteenth century and its legacy is still being played out in the first years of the twenty first century Acknowledged experts on specific topics seek to explore the layered domestic and international political legal and moral aspects of this uniquely influential and controversial event Contributors are Rory O Dwyer Michael Wheatley Brendan O Shea and Gerry White D G Boyce Francis M Carroll Rosemary Cullen Owens J r me aan de Wiel Adrian Hardiman Keith Jeffery Mary McAleese Owen McGee Seamus Murphy and Brian P Murphy **Leading the Police** Kim Stevenson, David Cox, Iain Channing, 2018-03-12 In 2015 the College of Policing published its Leadership Review with specific reference to the type of leadership required to ensure that the next generation of Chief Constables and their management approach will be fit for purpose Three key issues were highlighted as underpinning the effective leadership and management of contemporary policing hierarchy culture and consistency Yet these are not just relevant to modern policing having appeared as constant features implicitly and explicitly since the creation of the first provincial constabularies in 1835 This collection reviews the history of the UK Chief Constable reflecting on the shifts and continuities in police leadership style practice and performance over the past 180 years critiquing the factors affecting their operational management and how these impacted upon the organization and service delivery of their forces The individuality of Chief Constables significantly impacts on how national and local strategies are implemented shaping relationships with their respective communities and local authorities Importantly the book addresses not just the English experience but considers the role of Chief Constables in the whole of the United Kingdom highlighting the extent to which they could exercise autonomous authority over their force and populace The historical perspective adopted contextualises existing considerations of leadership in modern policing and the extensive timeframe and geographical reach beyond the experience of the Metropolitan force enables a direct engagement with contemporary debates It also offers a valuable addition to the existing literature contributing to the institutional memory of UK policing The contributors represent a range of disciplines including history law criminology and leadership studies and some also have practical policing experience The Templemore Miracles John Reynolds, 2019-11-15 In the aftermath of the 1916 Rising the ensuing guerrilla war reached its peak in August 1920 in the garrison town of Templemore when a series of extraordinary events occurred 16 year old farm labourer Jimmy Walsh claimed that he was experiencing Marian apparitions and that religious statues owned

by him were moving and bleeding Miraculous cures were claimed and the religious fervour that gripped Ireland led to an influx of thousands of pilgrims The phenomenon of the Templemore miracles or bleeding statues lasted for several weeks and an informal ceasefire arose while the rebels the police military and civilian population struggled to comprehend the surreal situation With the logistics of conducting the war disrupted by the flood of pilgrims the IRA stepped in They interrogated Walsh and with the direct involvement of Michael Collins planned to deter further pilgrimages to Templemore In due course Walsh had left Ireland never to return and the war resumed with an even greater degree of ferocity Here John Reynolds charts the bizarre goings on that intersected the spiritual social and martial fixations of early twentieth century Ireland based around a small town and a boy with visions *46 Men Dead* John Reynolds,2016-04-01 IN JANUARY 1919 AT SOLOHEADBEG IN TIPPERARY two members of the Royal Irish Constabulary RIC were killed by the IRA In the four bloody years that followed nearly 500 RIC men were killed and hundreds more wounded In Tipperary alone 46 policemen were killed making it one of most violent counties in Ireland The popular image of the RIC is that they were the eyes and ears of Dublin Castle an oppressive colonial force policing its fellow countrymen But the truth is closer to home many were Irishmen who joined because it was a secure job with prospects and a pension at the end of service When confronted with a volunteer army of young and dedicated guerrilla fighters it was unable to cope When the conflict ended the RIC was disbanded not at the insistence of the Provisional Government but of its own members *46 Men Dead* is a thought provoking look at the grim reality of the conflict in Tipperary a microcosm of the wider battle that was the War of Independence *Books Ireland* ,2005
