Summon My Ehi To Ugbine Okpame Oronsaye,2024-06-28 The Edo people of the Midwestern region of Nigeria believe every living thing has an Ehi mystical or spirit twin The Ehi ensures that the uhimwen self predestination of the lifespan of an entity on earth is adhered to precisely as the entity had avowed the day it was created by the supreme creator God The Edo perceive the Ehi as a guide guard and witness to the earthly journey of the entity Ugbine is a small town located a few kilometres west of Benin City and was thrust into the limelight of European history by an incident which took place there on January 4 1897 Summon My Ehi To Ugbine is the story of the events that led to the defeat and destruction of a clandestine and unauthorised British invasion force on January 4 1897 at Ugbine a small town a few kilometres west of Benin City Mr J R Phillips acting Consul General of the Niger Coast Protectorate led the invasion force This defeat and destruction of the British invasion force which became universally known as the Benin Massacre gave the British government the much needed excuse to invade Benin City earlier than was planned To justify the invasion of Benin City the British government embarked on a disinformation campaign that the destruction of the invasion force was an unprovoked killing of seven unarmed British envoys and traders on a peaceful mission to Benin City by a group of Benin chiefs The story is neither a history reference book nor a critique of any publication of the Ugbine incident Neither is it my personal nor an Edo view of the events 1892 1896 that led to the incident the subsequent invasion plundering and razing of Benin City and the reign of terror the British unleashed on the Edo people from 1897 to 1899 Also it is not an expose of these events because those who consciously or unconsciously initiated orchestrated and executed this tragic and painful chapter of the history of Benin recorded and told the story long ago For 127 years except for three writers historians and art historians including internationally renowned

publications have retold this story based on the British government disinformation template Sadly they retold the story each with a different flavour of the events shamelessly prejudiced and massively distorted Summon My Ehi To Ugbine is a let the truth be heard story And nothing more      *Report of the Royal Commission on the Court of Session and the Office of Sheriff Principal with Summary of Evidence ...* Scotland. *The Royal Jubilees of England* William Ellis, 1886      The L'Chaim Covenant, Book One of Darius the Conqueror Series

Roger L. Reeves II, 2019-06-20 It hasn't been long since the times of troubles that everyone calls before. Everyone who survived that time was hidden away in the bowels of the earth or so it was believed. Disease, famine, and evil men forced those buried under the great mountain out into a new world. Men carry swords, drive wagons, ride horses, and live a life free of all the things that created the great desolation. Seeking Power, Darius the Conqueror overthrew King Franklin and put his family to the sword. Tareate was wounded but escaped, as did a few others, and there was a rumor of the survival of a rightful heir to the throne. It's been twenty years since that evil act. A sword maker, a magician, and a thief found themselves all condemned by King Rinus of Sareno. They escaped his prison and stumbled onto a quest forged by fate for just those three. Plagued by demons, evil, and injustice, they form the L'Chaim Covenant, a pledge of life to one another and perhaps to their whole world too.
