Popular Photography ,1994-05 The Body Royal Mark W. Hamilton,2005-11-01 The present volume seeks to identify the underlying code of meanings about the Israelite king operating in various ways in texts and other artifacts surviving from the culture The focus is upon the living body of the king its anatomical characteristics its constitution through ritual and the conventions concerning its proper self display by the king This study combines careful linguistic and historical critical analysis of the texts considered both biblical and ancient Near Eastern the latter used comparatively where appropriate with a critical use of contemporary approaches to the study of signs in language objects and movements semiotics in general and the study of the body in particular This book argues that the royal psalms contain a set of officially sanctioned notions about the royal body and its use The king was thought to have an outsized superhuman body owing to his being the son of the deity a status he attained upon his coronation Other texts often from circles outside the royal court significantly altered these notions The king s body was thus for ancient Israelites the locus of reflection on power gender religion and even international relations Through careful historical analysis it is possible to reconstruct the terms of an Iron Age intellectual inquiry that still influences our contemporary world Journal of the Royal Statistical Society Royal Statistical Society (Great Britain),1910 Published papers whose appeal lies in their subject matter rather than their technical statistical contents Medical social educational legal demographic and governmental issues are of particular concern Journal of the Royal Asiatic Society of Great Britain & Ireland Royal Asiatic Society of Great Britain and Ireland,1908 Has appendices The Journal of the Royal Agriculture Society of England Anonymous,2025-07-30 Reprint of the original first published in 1860 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Proceedings of the Royal Horticultural Society Royal Horticultural Society (Great Britain),1861 **Elements of Arithmetic and Algebra for the use of the Royal Military College** William SCOTT (Professor of Mathematics at Sandhurst.),1844 **Papers on Subjects Connected with the Duties of the Corps of Royal Engineers** Great Britain.
