Curtis, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1871 edition Excerpt the history of the royal irish constabulary chapter I pposition of matters previous to the formation of the constabulary early half a century is a long time to look back upon in describing the first formation of an institution nevertheless the origin progress and maturity of the Irish constabulary can readily be traced It will not be necessary to enter into a minute detail of the several attempts which were made from time to time by the legislature to form a system of police calculated to meet the requirements of the state of Ireland at a period of from twenty to thirty years previous to the formation of the Irish constabulary To give a short summary of the different Acts of Parliament which were passed with the professed object of preserving the peace and a few of their leading provisions will be sufficient indeed one of them was universally known as the Peace Preservation Act In 1787 an Act was passed the 27th of Geo iii ch 40 entitled An Act for the better Execution of the Law and the Preservation of the Peace within Counties at large This Act empowered the Lord Lieutenant to appoint a chief constable to each one or more baronies while the grand juries had power given to them to appoint sixteen sub constables to each of the same districts and it was a provision in the Act that they should be Protestants They were entitled to a sum of three pence a mile for the conveyance of all prisoners whom they might apprehend f **Royal Irish Constabulary** Committee of Inquiry on the Royal Irish Constabulary, 1902 *Sketches of the Royal Irish Constabulary* Michael Brophy, 1886 [The Royal Irish Constabulary](#) John D. Brewer, 1990 **The History of the Royal Irish Constabulary** Robert Curtis, 1869 **46 Men Dead** John Reynolds, 2016-04-01 IN JANUARY 1919 AT SOLOHEADBEG IN TIPPERARY two members of the Royal Irish Constabulary RIC were killed by the IRA In the four bloody years that followed nearly 500 RIC men were killed and hundreds more

wounded In Tipperary alone 46 policemen were killed making it one of most violent counties in Ireland The popular image of the RIC is that they were the eyes and ears of Dublin Castle an oppressive colonial force policing its fellow countrymen But the truth is closer to home many were Irishmen who joined because it was a secure job with prospects and a pension at the end of service When confronted with a volunteer army of young and dedicated guerrilla fighters it was unable to cope When the conflict ended the RIC was disbanded not at the insistence of the Provisional Government but of its own members 46 Men Dead is a thought provoking look at the grim reality of the conflict in Tipperary a microcosm of the wider battle that was the War of Independence

**The History of the Royal Irish Constabulary** Robert H. Curtis, 2017-08-18 **Royal Irish Constabulary Officers** Jim Herlihy, 2005 This book lists the 1700 officers of the RIC including birth marriage and death dates the native county service if any in the British army yeomanry and militia dates of appointment and retirement resignation discharge or dismissal and a list of officers who later served as lawmen elsewhere

**The Royal Irish Constabulary** Thomas Fennell, 2003 Published for the first time this memoir by a member of the Royal Irish Constabulary RIC provides many insights into life as an Irish policeman in the last quarter of the nineteenth century during Ireland's turbulent years of the Land War right up to the Irish War of Independence Thomas Fennell 1857-1948 paints a lively picture of the daily activities of a highly regimented force constantly under hierarchical scrutiny from Dublin Castle He is acutely aware of the ambivalent position of the RIC drawn largely from the sons of tenant and small farmers yet supporting the Ascendancy and the landowning classes Fennell was a nationalist yet retained a loyalty to and pride in the force He also contrasts the sympathetic attitude of the general population to the police during the Land War with the more hostile response after 1916 He counters the critics who ascertained that the RIC was engaged in espionage on behalf of the State makes the points that the RIC provided no advance of the Rising of 1916 and that any such spying as occurred was on behalf of Collins echoing the experience of Michael Davitt during the Land War Publisher description
