Schnabel, 2023-11-21 Southwestern Journal of Theology 2023 Book Award Honorable Mention Theological Studies *New Testament Theology* is a major new contribution to New Testament scholarship by renowned scholar Eckhard Schnabel While many New Testament theologies approach the material through a particular thematic construct e.g. covenant Schnabel takes a different approach First he focuses on Jesus Messiah and his significance for the early church Second he seeks to describe the theology of the New Testament as it was written and read in its historical context This approach honors the fact that the authors and original readers of the New Testament were real people dealing with real issues in their specific ecclesiological cultural and missiological settings Schnabel comprehensively combines a historical description of the New Testament's theology with a systematic reflection on the New Testament's message and the convictions of Jesus and his early followers This valuable contribution to the field will be insightful reading for students scholars and pastors **From the Well to the Sea** Hideo Hatakeda, 2010-08 *From the Well to the Sea* is the true story of a young Japanese man who travels by ship to distant New Zealand where he makes an inner journey of faith from Buddhism to Christianity Using detailed material from his personal diary readers will enjoy following Hideo Hatakeda as he struggles to adapt to living and working in a completely different culture from his own When he realizes that Christian fellowship has no ethnic boundaries because of the indwelling of the Holy Spirit he learns to trust not in circumstances or blessings but in God alone Truly this Japanese frog has jumped into the great ocean of self discovery to experience the joy of a personal relationship with the true and living God In like manner readers will discover a fresh perspective on cultural differences and gain renewed faith as they see the world through the eyes of one young Japanese missionary **Beyond the Evangelical Gender Roles** Gridlock Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them

The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood. Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent. Others quote them to justify Christian patriarchalism. *Beyond the Evangelical Gender Roles Gridlock: Reimagining Paul's Views on Women, Marriage and Ministry* reassesses what Paul said about women, reinterpreting his claims on marriage and ministry leadership in light of his first century worldview. This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations, homes and society.

**The Roots of Desire** Marion Roach, 2008-12-11. *The Roots of Desire* is a witty and entertaining investigation into the power, myth and meaning of red hair. Redheads have been worshiped, idealized, fetishized, feared and condemned, leaving their mark on us and our culture. Such is the power of what is actually a genetic mutation, and in *The Roots of Desire* Marion Roach takes a fascinating look at the science behind hair color and the roles redheads have played over time. A redhead herself, Roach brings candor and brilliant insight to the complicated and revealing history of redheads, making this a stand out narrative and an essential tool in understanding the mechanics and phenomenon of red hair. A must have for every redhead.
