Saint Tikhon of Zadonsk, Inspirer of Dostoevsky Nadejda Gorodetzky, 1976 If only I could depict a positive holy figure Tikhon whom long ago I received with great delight into my heart Thus wrote Dostoevsky to his friend the poet Maikov Like so many others Dostoevsky felt the power of Tikhon's sanctity Yet it is difficult to analyze and to categorize this sanctity so elusive remains the personality of that eighteenth century bishop and ascetic Again in the words of Dostoevsky The most important thing about Tikhon is Tikhon This definitive biography explores St Tikhon's life and writings to reveal the man himself sensitive retiring fond of children familiar with the writings of the Western pietists but above all rooted in the Bible the Fathers and the Church's sacramental life At the same time St Tikhon's uniquely positive love for God and his fellow man shines through In the midst of a spiritual desert Tikhon was a reformer but not in the usual sense of that word He was not content simply to criticize nor did he elaborate one-sided panaceas for society Rather he was the embodiment of the ideal Christian pastor a source of wholeness and healing for others In the words of the author he was a living reply to the anti-religious ideas generated in eighteenth century Russia Book jacket

I Am With You Always Benedict C.F.R. Groeschel, 2011-02-18 A Study of the History and Meaning of Personal Devotion to Jesus Christ for Catholic Orthodox and Protestant Christians The devotional life of Christians over the two millennia since Jesus' birth has been one of motion changing and growing in response to the challenges presented to the Church the temperaments of newly baptized nations and controversies about how we can and should relate to God And yet the core of authentic Christian devotion has not changed it remains today as it was in the time of the Church Fathers the trusting and personal encounter with Christ that is both open and foundational to the life of all Christian believers In this book the well known spiritual writer and teacher Fr Benedict Groeschel C F R surveys the development and trials of Christian devotion from the days of the martyrs until the twentieth century Tracking it through the centuries and among sadly divided branches of Christianity he finds a commonality of experience and even of language that is constantly ignored among Christians themselves By observing what image of Christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the New Testament and the ancient Church Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always The answer instead is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and daily life of the devout Begun on a pilgrimage to the Holy Land and the result of years of preparation and a whole life of guiding people as priest public preacher psychologist

and spiritual director this book will help Catholic Orthodox and Protestant believers gain not only a comprehensive view of how pious Christians over the centuries have lived out their devotion to God but the examples and perspective they need to live more devoutly today

Hagiography and Modern Russian Literature Margaret Ziolkowski, 2014-07-14 The heritage of medieval hagiography the diverse and voluminous literature devoted to saints was much more important in nineteenth century Russia than is often recognized Although scholars have treated examples of the influence of hagiographic writing on a few prominent Russian writers Margaret Ziolkowski is the first to describe the vast extent of its impact Some of the authors she discusses are Kondratii Ryleev Aleksandr Bestuzhev Marlinskii Fedor Dostoevsky Leo Tolstoy Nikolai Leskov Gleb Uspenskii Dmitrii Merezhkovskii and Maksimilian Voloshin Such writers were often exposed to saints lives at an early age and these stories left a deep impression to be dealt with later whether favorably or otherwise Professor Ziolkowski identifies and analyzes the most common usages of hagiographic material by Russian writers as well as the variety of purposes that inspired this exploitation of their cultural past Tolstoy for instance employed hagiographic sources to attack the organized church and the institution of monasticism Individual chapters treat the influence of hagiography on the poetry of the Decembrists reworkings of specific hagiographic legends or tales and the application of hagiographic conventions and features to contemporary characters and situations Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Dostoevsky's Incarnational Realism Paul J. Contino,2020-08-17 In this book Paul Contino offers a theological study of Dostoevsky's final novel *The Brothers Karamazov* He argues that incarnational realism animates the vision of the novel and the decisions and actions of its hero Alyosha Fyodorovich Karamazov The book takes a close look at Alyosha's mentor the Elder Zosima and the way his role as a confessor and his vision of responsibility to all for all develops and influences Alyosha The remainder of the study which serves as a kind of reader's guide to the novel follows Alyosha as he takes up the mantle of his elder develops as a monk in the world and at the end of three days ascends in his vision of Cana The study attends also to Alyosha's brothers and his ministry to them Mitya's struggle to become a new man and Ivan's anguished groping toward responsibility Finally Contino traces Alyosha's generative role with the young people he encounters and his final message of hope

more personal approach **A Prodigal Saint** Nadieszda Kizenko, 2000 Rarely are we privileged to see the making of a saint but it is just what this book gives us for John of Kronstadt 1829-1908 a major figure in the religious life of Late Imperial Russia So popular was Father John during his years of ministry that Kronstadt became a pilgrimage site replete with peddlers selling souvenir photographs postcards and commemorative mugs A Prodigal Saint follows Father John's development from activist priest to venerated spiritual leader and after his death to his elevation to sainthood in 1990 We see both the inner life of an aspiring saint and the symbiotic relationship between a living icon and his followers Father John represented a fundamentally new type of religious behavior and a new standard of sanctity in Late Imperial Russia He ministered to the poor of Kronstadt creating shelters and employment programs and participating in the temperance movement In the process he acquired a reputation for prayerful intercession that soon spread beyond Kronstadt When he was asked to minister to the dying Alexander III in 1894 his fame became international as he attracted correspondents from the United States and Europe In his later years he allied himself increasingly with the radical right which has had momentous implications for the Russian Orthodox Church in the twentieth century Kizenko draws upon rich and virtually unknown documents from the Russian archives including Father John's diaries thousands of letters he received from his followers and the police reports on the sect that formed around him John's diaries are a truly unique source for they document the making of a modern saint his struggles with doubt his ascetic practices and his growing realization that others saw him as a saint Kizenko explores the extent to which Father John collaborated in the formation of his own cult and how he himself was influenced by the expectations and desires of his audience In the final chapter she follows Father John's posthumous reputation and the struggles over how to use that reputation in Russia the Soviet Union and throughout the world A Prodigal Saint is published in collaboration with the Harriman Institute at Columbia University as part of its Studies of the Harriman Institute series It is a pioneering study that contributes to our understanding of lived religion saints cults and modern Russian history The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5 Hughes Oliphant Old, 2004 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen Mystics of the Christian Tradition Steven Fanning, 2005-06-29 From divine visions to self-tortures some strange mystical experiences have shaped the Christian tradition as we know it Full of colourful detail Mystics of the Christian Tradition examines the mystical experiences that have determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with

lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions Mystics of the Christian Tradition is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were **The Blackwell Dictionary of Eastern Christianity** Ken Parry,David J.
