Saint Germain the Immortal Reginald Merton, 2005-12-01 The Path to Immortality Mark L. Prophet, Elizabeth Clare Prophet, 2011-01-07 What is immortality Does it mean living forever in the same physical body The Path to Immortality shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness Immortality it shows is your divine right and the destiny of your soul This far reaching work unfolds metaphysical truths about the law of cycles and the seven bodies of man the planes of consciousness the inner working of the chakras and the flow of energy through them It also explores what the soul is and how we can take care of it the meaning of the fiery trial dangers that confront the soul on the homeward path and tools to deal with them **The Commentaries of Living Immortals** Martin K. Ettington, This is a book about living immortals in their own words People who are hundreds if not thousands of years old and living in our world today Their commentaries come from a discussion board I have been using for a couple of years to market my earlier book Physical Immortality A History and How to Guide There are over twelve distinct immortal personalities who posted on this board and they all have different perspectives on their lives as immortals One of the main characters on the site said this about the immortals I have met over 170 other immortals dating from 20 000 years old to 110 years old from around Earth Gods are in another league I have met 15 Gods Goddesses most are norce celtic Gods There is at least 2000 of us out of your 7billion humans doing the exact same as me ie jobs names some still hide in mountans and forests Do I believe all of this I do have some skepticism but even if it s not true it is a great story If true it is one of the greatest revelations of all time **Inner Faces of God, Kabbalah V1** Elizabeth Clare Prophet, Summit University Press, 1995 **The Secrets of the Immortal Nicholas Flamel Complete Collection (Books 1-6)** Michael Scott, 2020-10-20 Includes the whole series Nicholas Flamel appeared in J K Rowling s Harry Potter but did you know he really lived And he might still be alive today Discover the truth in Michael Scott s New York Times bestselling series the Secrets of the Immortal Nicholas Flamel now in a complete 6 book collection The Alchemyst The Magician The Sorceress The Necromancer The Warlock and The Enchantress The truth Nicholas Flamel was born in Paris on September 28 1330 The legend Nicholas Flamel discovered the secret of eternal life The records show that he died in 1418 But his tomb is empty Nicholas Flamel lives But only because he has been making the elixir of life for centuries The secret of eternal life is hidden within the book he protects the Book of Abraham the Mage It s the most powerful book that has ever existed In the wrong hands it will destroy the world That s exactly what Dr John Dee plans to do when he steals it Humankind won t know what s happening until it s too late And if the prophecy is right Sophie and Josh Newman are the only ones with the power to save the world as we know it Sometimes legends are true And Sophie and Josh Newman are about to find themselves in the middle of the greatest legend of all time A A riveting fantasy While there is plenty here to send readers rushing to their encyclopedias those who read the book at face value will simply be caught up in the enthralling story A fabulous read SLJ
