

SCOTTISH SOCIETY 1500-1800

Edited by R A Houston and I D Whyte

Scottish Society 1500 1800

Deborah A. Symonds

Scottish Society 1500 1800:

Scottish Society, 1500-1800 Robert Allen Houston, Ian D. Whyte, 2005-04-18 The volume covers many of the most significant themes in pre industrial Scottish society *The Scottish People 1490-1625* MAUREEN M MEIKLE, 2013 The Scottish People 1490 1625 is one of the most comprehensive texts ever written on Scottish History All geographical areas of Scotland are covered from the Borders through the Lowlands to the G idhealtachd and the Northern Isles The chapters look at society and the economy Women and the family International relations war peace and diplomacy Law and order the local administration of justice in the localities Court and country the politics of government The Reformation preludes persistence and impact Culture in Renaissance Scotland education entertainment the arts and sciences and Renaissance architecture the rebuilding of Scotland In many past general histories there was a relentless focus upon the elite religion and politics These are key features of any medieval and early modern history books but The Scottish People looks at less explored areas of early modern Scottish History such as women how the law operated the lives of everyday folk architecture popular belief and culture The Oxford Companion to Scottish History Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

Scots and the Union Christopher A Whatley, 2014-04-14 This book traces the background to the Treaty of Union of 1707 explains why it happened and assesses its impact on Scottish society including the bitter struggle with the Jacobites for acceptance of the union in the two decades that followed its inaugur *People and Power in Scotland* Roger A. Mason, Norman Macdougall, 2001-01-01 Few Scottish historians are better known than T C Smout and fewer still more deserving of the high esteem in which they are held He has made an outstanding contribution to Scottish historical studies both as an academic discipline and as a subject of wide popular appeal His retirement in 1991 after twelve years as Professor of Scottish History at the University of St Andrews diminished neither his interest nor his output It did however provide a fitting opportunity to honour his accomplishments This collection of ten essays by his friends and colleagues at St Andrews is a measure of his enormous success in promoting Scottish history there and of their respect for his achievements Ranging widely over the Scottish past from the fifteenth to the nineteenth centuries from high politics to popular protest from shipwrecks to railway mania from local social studies to the problem of national identity the essays pay tribute to the depth of Smout s historical understanding by reflecting the breadth of research that he has done so much to encourage Medieval and Early Modern Representations of Authority in Scotland and the British Isles Kate Buchanan, Lucinda H.S. Dean, 2016-05-20 What use is it to be given authority over men and lands if others do not know about it Furthermore what

use is that authority if those who know about it do not respect it or recognise its jurisdiction And what strategies and language written and spoken visual and auditory material cultural and political did those in authority throughout the medieval and early modern era use to project and make known their power These questions have been crucial since regulations for governance entered society and are found at the core of this volume In order to address these issues from an historical perspective this collection of essays considers representations of authority made by a cross section of society within the British Isles Arranged in thematic sections the 14 essays in the collection bridge the divide between medieval and early modern to build up understanding of the developments and continuities that can be followed across the centuries in question Whether crown or noble government or church burgh or merchant all desired power and influence but their means of representing authority were very different These essays encompass a myriad of methods demonstrating power and disseminating the image of authority including material culture art literature architecture and landscapes saintly cults speeches and propaganda martial posturing and strategic alliances music liturgy and ceremonial display Thus this interdisciplinary collection illuminates the variable forms in which authority was presented by key individuals and institutions in Scotland and the British Isles By placing these within the context of the European powers with whom they interacted this volume also underlines the unique relationships developed between the people and those who exercised authority over them

Scotland, the Caribbean and the Atlantic world, 1750-1820 Douglas Hamilton, 2013-07-19 This is the first book wholly devoted to assessing the array of links between Scotland and the Caribbean in the later eighteenth century It uses a wide range of archival sources to paint a detailed picture of the lives of thousands of Scots who sought fortunes and opportunities as Burns wrote across the Atlantic roar It outlines the range of their occupations as planters merchants slave owners doctors overseers and politicians and shows how Caribbean connections affected Scottish society during the period of improvement The book highlights the Scots reinvention of the system of clanship to structure their social relations in the empire and finds that involvement in the Caribbean also bound Scots and English together in a shared Atlantic imperial enterprise and played a key role in the emergence of the British nation and the Atlantic World **The Cambridge Urban**

History of Britain Peter Clark, David Michael Palliser, Martin J. Daunton, 2000-07-20 This volume examines when why and how Britain became the first modern urban nation **Scottish Diaspora** Tanja Bueltmann, 2013-11-20 A history of the

Scottish diaspora from c 1700 to 1945 Did you know that Scotland was one of Europe's main population exporters in the age of mass migration Or that the Scottish Honours System was introduced as far afield as New Zealand This comprehensive introductory history of the Scottish diaspora examines these and related issues exploring the migration of Scots overseas their experiences in the new worlds in which they settled and the impact of the diaspora on Scotland Global in scope the book's distinctive feature is its focus on both the geographies of the Scottish diaspora and **Essential Scots and the Idea**

of Unionism in Anglo-Scottish Literature, 1603-1832 Rivka Swenson, 2015-12-30 John Locke asked since all things that

exist are merely particulars how come we by general terms Essential Scots and the Idea of Unionism in Anglo Scottish Literature 1603 1832 tells a story about aesthetics and politics that looks back to the 1603 Union of Crowns and James VI I s emigration from Edinburgh to London Considering the emergence of British unionism alongside the literary rise of both description and the individual Rivka Swenson builds on extant scholarship with original close readings that illuminate the inheritances of 1603 a date of considerable but untraced importance in Anglo Scottish literary and cultural history whose legacies are still being negotiated today The 1603 Union of Crowns spurred interest in exploring the aesthetic politics of unionism in relation to an alleged Scottish essence that could be manipulated to resist or support Britishness even as the king s emigration generated a legacy of gendered representations of traveling Scots and Scotlands left behind Discussing writers such as Bacon Defoe Smollett Johnson Macpherson Ferrier and Scott along with lesser known or forgotten popular authors and ballads transparencies newspapers joke books cant dictionaries political speeches histories travel narratives engravings material artifacts such as medals and snuffboxes Essential Scots describes the years 1603 to 1832 as a crucial period in British history Paradoxically the political and cultural exploration of ideas about unionism in relation to a supposed essential Scottishness participated in the increasing prominence of both description and the individual in nineteenth century Scottish literature Swenson persuasively concludes that essential Scottishness as both identity and symbolism was refigured to mediate a national synthesis between the emergent individual and the nascent British nation as well as the naturalized even de politicized literary synthesis of particulars within putatively analogous narrative wholes

Cottage Gardens and Gardeners in the East of Scotland, 1750-1914 Catherine Rice, 2021 This pioneering study tells the story of the emergence of rural workers gardens during a period of unprecedented economic and social change in the most dynamic and prosperous region of Scotland Much criticised as weed infested badly cultivated and disfigured by the dung heap before the cottage door eighteenth century cottage gardens produced only the most basic food crops But the paradox is that Scottish professional gardeners at this time were highly prized and sought after all over the world And by the eve of the First World War Scottish cottage gardeners were raising flowers fruit and a wide range of vegetables and celebrating their successes at innumerable flower shows This book delves into the lives of farm servants labourers weavers miners and other workers living in the countryside to discover not only what vegetables fruit and flowers they grew and how they did it but also how poverty insecurity and long and arduous working days shaped their gardens Workers cottage gardens were also expected to comply with the needs of landowners farmers and employers and with their expectations of the industrious cottager But not all the gardens were muddy cabbage and potato patches and not all the gardeners were ignorant or unenthusiastic The book also tells the stories of the keen gardeners who revelled in their pretty plots raised prize exhibits for village shows and in a few cases found gardening to be a stepping stone to scientific exploration

Transformation of Scotland Tom M. Devine, 2019-07-29 This is the first comprehensive history of the Scottish economy over the last three centuries to appear in a

generation Written by leading scholars in the field it presents state of the art research in an accessible style to all those interested in understanding the historical context of modern Scotland Fresh interpretations are revealed on such key and controversial issues as the impact of the Union of 1707 the Clearances the rise and fall of Scottish heavy industry and the recent transformation of the modern economy The distinctive features of the Scottish economic system are stressed but these are also analysed within a British and international context The focus of the volume is both broad and detailed with full treatment of agriculture finance industry and the service sector as well as the impact of momentous economic changes on the lives of the people and the massive new role in the twentieth century of the state in economic affairs At a time of intense debate on the present and future condition of Scotland under a devolved parliament and executive this book provides the essential background and the long run perspectives on the challenges and opportunities facing the nation

Death, life, and religious change in Scottish towns c. 1350-1560 Mairi Cowan, 2017-10-03 Death life and religious change in Scottish towns c 1350 1560 examines lay religious culture in Scottish towns between the Black Death and the Protestant Reformation It looks at what the living did to influence the dead and how the dead were believed to influence the living in turn it explores the ways in which townspeople asserted their individual desires in the midst of overlapping communities and it considers both continuities and changes highlighting the Catholic Reform movement that reached Scottish towns before the Protestant Reformation took hold Students and scholars of Scottish history and of medieval and early modern history more broadly will find in this book a new approach to the religious culture of Scottish towns between 1350 and 1560 one that interprets the evidence in the context of a time when Europe experienced first a flourishing of medieval religious devotion and then the sterner discipline of early modern Reform

Weep Not for Me Deborah A. Symonds, 2010-11-01 Mary Queen of Scots Retha M. Warnicke, 2006-04-18 Scholars now have Warnicke to use as their chief one volume study of Mary Julian Goodare University of Edinburgh In this biography of one of the most intriguing figures of early modern European history Retha Warnicke widely regarded as a leading historian on Tudor queenship offers a fresh interpretation of the life of Mary Stuart popularly known as Mary Queen of Scots Setting Mary s life within the context of the cultural and intellectual climate of the time and bringing to life the realities of being a female monarch in the sixteenth century Warnicke also examines Mary s three marriages her constant ill health and her role in numerous plots and conspiracies Placing Mary within the context of early modern gender relations Warnicke reveals the challenges that faced her and the forces that worked to destroy her This highly readable and fascinating study will pour fresh light on the much debated life of a central figure of the sixteenth century providing a new interpretation of Mary Stuart s impact on politics gender and nationhood in the Tudor era

Britons Linda Colley, 2005-01-01 Controversial entertaining and alarmingly topical a delight to read Philip Ziegler Daily Telegraph Clearance and Improvement Tom M. Devine, 2010-02-01 Social and economic changes included an increase in production of food and raw materials in turn sustaining the remarkable growth of towns and cities over this period However

in the folk memory of Scotland the social and cultural costs of the revolution loom much larger the loss of land for many thousands of families the rise of individualism and the decline of neighborhood the death of old rural societies which had formed Scotland's character for many generations The drama and tragedy of Highland history during this period have attracted many authors whereas the Lowland experience that of the majority of Scots hardly any This book attempts to redress that balance and in so doing examines why this extraordinary era inextricably associated with failure famine and clearance in Gaeldom is remembered as one of improvements in the Lowlands where the folk memory of dispossession if it ever existed is long lost in collective amnesia In so doing Devine addresses an issue which goes right to the heart of the nation's past How the Scots Invented the Modern World Arthur Herman, 2001 Explores the seminal contributions of Scotland to the development of modern Western civilization discussing the impact of such ideals as democracy freedom of speech equal opportunity and a commitment to education **Edinburgh History of the Scots Language** Charles Jones, 2019-07-31 This is the first full scale attempt to record the diachronic development of this important English language variety and includes extensive essays by some of the foremost international scholars of the Scots language The book attempts to provide a detailed and technical description of the syntax phonology morphology and vocabulary of the language in two main periods the beginnings to 1700 and from 1700 to the present day The language's geographical variation both in the past and at the present time are fully documented and the sociolinguistic forces which lie behind linguistic innovation and its transmission provide a principal theme running through the book WINNER of the Saltire society National Library of Scotland Scottish Research Book of the Year Award **Parliaments, nations and identities in Britain and Ireland, 1660-1850** Julian Hoppit, 2013-07-19 The abolition of the Scottish and Irish Parliaments in 1707 and 1800 created a United Kingdom centred upon the Westminster legislature This text discusses what this meant for the four nations involved and how conceptions of English Irish Scottish and Welsh identities were affected

When people should go to the books stores, search creation by shop, shelf by shelf, it is in point of fact problematic. This is why we provide the books compilations in this website. It will very ease you to see guide **Scottish Society 1500 1800** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you goal to download and install the Scottish Society 1500 1800, it is agreed simple then, in the past currently we extend the link to purchase and create bargains to download and install Scottish Society 1500 1800 appropriately simple!
