

SCOTTISH SOCIETY 1707-1830

Beyond Jacobitism, towards industrialisation

CHRISTOPHER A. WHATLEY

Scottish Society 1707 1830

Michael Lynch

Scottish Society 1707 1830:

Scottish Society, 1707-1830 Christopher A. Whatley, 2000 This book challenges conventional wisdom and provides new insights into Scottish social and economic history Christopher A Whatley argues that the Union of 1707 was vital for Scottish success but in ways which have hitherto been overlooked He proposes that the central place of Jacobitism in the historiography of the period should be revised Comprehensive in its coverage the book is based not only on an exhaustive reading of secondary material but also incorporates a wealth of new evidence from previously little used or unused primary sources The Oxford Companion to Scottish History Michael Lynch, 2007 Searchable online reference covers more than 20

centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

Anglo-Scottish Relations, from 1603 to 1900 T C Smout, 2005-12-22 In 1603 England and Scotland came together and Great Britain was created Why has it stayed together How near did it come to falling apart Have the two nations ever done more than tolerate each other Who were the gainers and losers Political economic legal intellectual and literary historians examine the first three centuries of Union including the reception of James in the south the Civil Wars the background to Parliamentary Union in 1707 the spoils of Empire and the Victorian climax Together with its companion Anglo Scottish Relations from 1900 to Devolution and Beyond 0 19 726331 3 the volume provides a vivid account of two nations which have often differed remained very distinct yet achieved endurance in European terms Britain's Political Economies

Julian Hoppit, 2017-05-18 An innovative account of how thousands of acts of parliament sought to improve economic activity during the early industrial revolution

Human capital and empire Andrew Mackillop, 2021-09-14 Human capital and empire compares the role of Scots Irish and Welsh within the English East India Company between c 1690 and c 1820 It focuses on why the three groups developed such distinctive and different profiles within the corporation and its wider colonial activities in Asia Besides contributing to the national histories of Scotland Ireland and Wales it uses these societies to ask how poorer regions of Europe participated in global empire The chapters cover involvement in the Company s administrative military medical maritime and private trade activities The analysis conceives of sojourning to Asia as a cycle of human capital with human mobility used to access a key sector of world trade As well as providing essential new statistical information on Irish Scottish and Welsh participation it makes a significant contribution to ongoing debates on the legacies of empire Architecture of Scotland, 1660-1750 Humm Louisa Humm, 2020-06-18 This architectural survey covers one of Scotland s most important periods of political and architectural change when mainstream European classicism became embedded as the cultural norm Interposed between the decline of the Scottish castle and its revival as Scotch Baronial

architecture the contributors consider both private and public civic architecture They showcase the architectural reflections of a Scotland finding its new elites by providing new research analysing paradigms such as Holyrood and Hamilton Palace as well as external reference points such as Paris tenements Roman precedents and English parallels Typologically the book is broad in scope covering the architecture and design of country estate and also the urban scene in the era before Edinburgh New Town Steps decisively away from the Scottish castle genre of architecture Contextualises the work of Scotland's first well documented grouping of major architects including Sir William Bruce Mr James Smith James Gibbs and the Adam dynasty Documents the architectural developments of a transformational period in Scottish history Beautifully illustrated throughout with 300 colour illustrations a [Regulating the British Economy, 1660-1850](#) Perry Gauci, 2016-04-08 This collection of chapters focuses on the regulation of the British economy in the long eighteenth century as a means to understand the synergies between political social and economic change as Britain was transformed into a global power Inspired by recent research on consumerism and credit an international team of leading academics examine the ways in which state and society both advanced and responded to fundamental economic changes The studies embrace all aspects of the regulatory process from developing ideas on the economy to the passage of legislation and to the negotiation of economic policy and change in practice They range broadly over Britain and its empire and also consider Britain's exceptionality through comparative studies Together the book challenges the general characterization of the period as a shift from a regulated economy to a more laissez faire system highlighting the uncertain relationship between the state and economic interests across the long eighteenth century [Scottish Diaspora](#) Tanja Bueltmann, 2013-11-20 A history of the Scottish diaspora from c 1700 to 1945 Did you know that Scotland was one of Europe's main population exporters in the age of mass migration Or that the Scottish Honours System was introduced as far afield as New Zealand This comprehensive introductory history of the Scottish diaspora examines these and related issues exploring the migration of Scots overseas their experiences in the new worlds in which they settled and the impact of the diaspora on Scotland Global in scope the book's distinctive feature is its focus on both the geographies of the Scottish diaspora and [Women in Eighteenth-Century Scotland](#) Deborah Simonton, 2016-12-05 The eighteenth century looms large in the Scottish imagination It is a century that saw the doubling of the population rapid urbanisation industrial growth the political Union of 1707 the Jacobite Rebellions and the Enlightenment events that were intrinsic to the creation of the modern nation and to putting Scotland on the international map The impact of the era on modern Scotland can be seen in the numerous buildings named after the luminaries of the period Adam Smith David Hume William Robertson the endorsement of Robert Burns as the national poet hero the preservation of the Culloden battlefield as a tourist attraction and the physical geographies of its major towns Yet while it is a century that remains central to modern constructions of national identity it is a period associated with men Until recently the history of women in eighteenth century Scotland with perhaps the honourable exception of Flora McDonald

remained unwritten Over the last decade however research on women and gender in Scotland has flourished and we have an increasingly full picture of women's lives at all social levels across the century As a result this is an appropriate moment to reflect on what we know about Scottish women during the eighteenth century to ask how their history affects the traditional narratives of the period and to reflect on the implications for a national history of Scotland and Scottish identity Divided into three sections covering women's intimate intellectual and public lives this interdisciplinary volume offers articles on women's work criminal activity clothing family education writing travel and more Applying tools from history art anthropology cultural studies and English literature it draws on a wide range of sources from the written to the visual to highlight the diversity of women's experiences and to challenge current male centric historiographies

The Scottish People and the French Revolution Bob Harris, 2015-09-30 Presents a study of the political culture of Scotland in the 1790s This book compares the emergence of the people as a political force with popular political movements in England and Ireland It analyses Scottish responses to the French Revolution across the political spectrum explaining Loyalist as well as Radical opinions and organisations

Transformation of Scotland Tom M. Devine, 2019-07-29 This is the first comprehensive history of the Scottish economy over the last three centuries to appear in a generation Written by leading scholars in the field it presents state of the art research in an accessible style to all those interested in understanding the historical context of modern Scotland Fresh interpretations are revealed on such key and controversial issues as the impact of the Union of 1707 the Clearances the rise and fall of Scottish heavy industry and the recent transformation of the modern economy The distinctive features of the Scottish economic system are stressed but these are also analysed within a British and international context The focus of the volume is both broad and detailed with full treatment of agriculture finance industry and the service sector as well as the impact of momentous economic changes on the lives of the people and the massive new role in the twentieth century of the state in economic affairs At a time of intense debate on the present and future condition of Scotland under a devolved parliament and executive this book provides the essential background and the long run perspectives on the challenges and opportunities facing the nation

Women's History Hannah Barker, Elaine Chalus, 2005 A wide ranging thematic survey of women's history in Britain in the 18th and early 19th centuries with chapters written by both well established writers and new and dynamic scholars in a thorough and well balanced selection

The Radical War of 1820 David M. Smale, 2025-06-12 This book is a detailed account of the Radical War in 1820s Scotland highlighting the conditions that led to the revolt the reaction of the government and the impact on Scottish society David Smale takes readers through the post 1815 mass unemployment disaffection and formation of radical groups calling for parliamentary reform as a prelude to the Radical War Using a wealth of archival material this book readjusts existing narratives surrounding the conflict shifting the focus away from the accounts of paid spies and centering the little used records of the pioneering new police force Smale examines how police activities impacted the revolt from the contrasting aims of pro reformer and pro

government publications released during the time to the activities of five spy groups who entered the radical milieu and provided authorities with intelligence on their activities Concluding with the key events of the revolt including the Battle of Bonnymuir and exploring the its after effects such as the Lord Advocate s conflict with police this volume provides comprehensive analysis of the Radical War and places it within a pan British context The Rise of Economic Societies in the Eighteenth Century K. Stapelbroek,J. Marjanen,2012-08-30 This collection of essays explores the emergence of economic societies in the British Isles and their development into a European American and global reform movement in the eighteenth century Its fourteen contributions demonstrate the intellectual horizons and international networks of this widespread and influential phenomenon Scots and the Union Christopher A Whatley,2014-04-14 Public opinion in Scotland in 1707 was sharply divided between advocates of Union opponents and a large body of don t knows In 1706 7 it was party and dynastic advantage that was the main reason for opposition to the proposed union at elite level Whatever the reasons now for maintaining the Union they are in some important respects different from those which took Scotland into the Union such as French aggression securing the Revolution of 1688 89 and the defence of Protestantism This new edition assesses the impact of the Union on Scottish society including the bitter struggle with the Jacobites for acceptance of the union in the two decades that followed its inauguration The book offers a radical new interpretation of the causes of union Now as in 1706 7 some kind of harmonious relationship with England has to be settled upon There exists on both sides of the border mutual antipathy but also powerful bonds of language kin and economics In the case of Scotland there is a strong sense of being different from England a separate nation But arguably this was even more powerful in the mid 19th century when demand grew not for independence but Home Rule As in 1707 economic considerations are central even if the nature of these now are different the Union was forged in an era of muscular mercantilism Perceptions of economic gain and loss affected behaviour in 1706 7 and continue to affect attitudes to the Union today This new edition lends historical weight to the present day arguments for and against Union **Police in the Age of Improvement** David Barrie,2008-05-01 The study of police history in Scotland has largely been neglected Little is known about the Scottish police s origins development and character despite growing interest in the machinery of law enforcement in other parts of the United Kingdom This book seeks to remedy this deficiency Based on extensive archival research its central aim is to provide an in depth analysis of the economic social intellectual and political factors that shaped police reform development and policy in Scottish burghs during the Age of Improvement The key issues addressed include the workings of traditional forms of law enforcement and why these were increasingly deemed to be unsuitable by the late eighteenth and early nineteenth centuries why and in what ways the pattern nature and origins of police development in urban Scotland differed from elsewhere in Britain in what ways the Scottish police model compared and contrasted with other British models the impact of police reform on urban governance and the struggle between social groups for control of the local state the concerns and priorities behind police policy In

addressing these questions Police in the Age of Improvement moves beyond many of the problem response interpretations which have preoccupied many police historians and locates reform within the wider contexts of urban improvement municipal administration and Scottish Enlightenment thought It will be essential reading for anyone interested in the history of policing urban management and social change in the late eighteenth and nineteenth centuries Police Courts in Nineteenth-Century Scotland, 2-volume set David G. Barrie,Susan Broomhall,2022-07-30 Taking the form of two companion volumes Police Courts in Nineteenth Century Scotland represents the first major investigation into the administration experience impact and representation of summary justice in Scottish towns c 1800 to 1892 Each volume explores diverse but complementary themes relating to judicial practices relationships experiences and discourses through the lens of the same subject matter the police court Volume 1 subtitled Magistrates Media and the Masses provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles Special attention is given to examining how courtroom discourse was represented in print culture the role of the media in providing a discursive commentary on summary justice and the ways in which magistrates and the police engaged in a law and order dialogue with the press Throughout consideration is given to uncovering the relationship between magistrates the courts the police and the wider community and to charting the implications of the rise of summary justice and the police man state for the urban masses as evidenced through prosecution conviction and punishment patterns Volume 2 subtitled Boundaries Behaviours and Bodies examines through themed case studies how these civic and judicial institutions shaped conceptual spatial temporal and commercial boundaries by regulating every day activities pastimes and cultures As with Volume 1 Boundaries Behaviours and Bodies is attentive to the relationship between magistrates the police the media and the wider community but here the main focus of analysis is on the role and impact of the police courts through their practice on cultural ideas social behaviours and environments in the nineteenth century city **Police Courts in Nineteenth-Century Scotland, Volume 1** Dr David G Barrie,Professor Susan Broomhall,2014-12-28 Taking the form of two companion volumes Police Courts in Nineteenth Century Scotland represents the first major investigation into summary justice in Scottish towns c 1800 to1892 Volume 1 with the subtitle Magistrates Media and the Masses provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles **Police Courts in Nineteenth-Century Scotland, Volume 1** David G. Barrie,Susan Broomhall,2016-04-22 Taking the form of two companion volumes Police Courts in Nineteenth Century Scotland represents the first major investigation into the administration experience impact and representation of summary justice in Scottish towns c 1800 to 1892 Each volume explores diverse but complementary themes relating to judicial practices relationships experiences and discourses through the lens of the same

subject matter the police court Volume 1 with the subtitle Magistrates Media and the Masses provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles Special attention is given to examining how courtroom discourse was represented in print culture the role of the media in providing a discursive commentary on summary justice and the ways in which magistrates and the police engaged in a law and order dialogue with the press Throughout consideration is given to uncovering the relationship between magistrates the courts the police and the wider community and to charting the implications of the rise of summary justice and the police man state for the urban masses as evidenced through prosecution conviction and punishment patterns Volume 2 with the subtitle Boundaries Behaviours and Bodies explores through themed case studies how police courts shaped conceptual spatial temporal and commercial boundaries by regulating every day activities pastimes and cultures

Police Courts in Nineteenth-Century Scotland, Volume 1 Professor Susan Broomhall, Dr David G Barrie, 2015-01-28 Taking the form of two companion volumes Police Courts in Nineteenth Century Scotland represents the first major investigation into summary justice in Scottish towns c 1800 to 1892 Volume 1 with the subtitle Magistrates Media and the Masses provides an institutional social and cultural history of the establishment development and practice of police courts It explores their rise purpose and internal workings and how justice was administered and experienced by those who attended them in a variety of roles
