Animals fill our world with their presence And so many of us create deep and meaningful relationships with them But are they here just as temporary enjoyment or is there a deeper revelation as to why God created them Thankfully God did reveal His heart to us We don't have to wonder about such things as will my pet be in Heaven Or is it wrong to eat an animal Nestled in the pages of Scripture there are so many wonderful truths and lots of answers to our questions giving us incredible insight about animals

Bible Animals John George Wood,1870 *Animals in Heaven- Fantasy or Reality* Arch Stanton,2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there

is a purpose for all of God's creatures. The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom. We need to know God's purpose for them. The bible explains in detail God's plan for his animals even after death. God wants us to know about them or he would never have emphasized their importance in his word. Many people are reluctant to discuss the animal kingdom from a biblical point of view. I find this strange to say the least. God has included them in his written word but many ministers will say very little if anything about them. The scriptures in this book are from the King James Bible. What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word. The bible is never contradictory. We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us. If we had the power to give our pet's eternal life would we want the life of our animals to be temporal? If God loves his animals more than we could ever love them shouldn't this type of love indicate his love for them is tremendous? Since we know God can give animal's eternal life could be there any single reason to give them life that would be only temporary? First we should know the bible is not dull, dismal or neutral. The bible is not an area between two extremes having mingled characteristics of both of them, a situation in which there are no clear cut distinctions. The interpretations of scriptures have been defined several ways over the years and this has caused confusion in many churches. We will read scriptures about the animal kingdom that many of you may not know are in the bible. We will read scriptures that are clearly stated to mean one thing and one thing only and that is: Animals are to be in heaven. By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom. You may then decide if the scriptures do indeed tell us animals have a soul, do they have a spirit, did God create them with a purpose in this life, is he going to give them eternal life. With God's help you will decide. For more information please visit www.dutchman3d.com.

The Dominion of Love Norm Phelps, 2002. Many commentators and users of the Bible have over the centuries and up to the present day used the Bible to argue that animals have no rights, that they were put on this earth for our use and that we have no obligations to them. In his cogent, honest and fully researched and referenced work *The Dominion of Love*, Norm Phelps attempts to encourage all who revere the Bible as holy scripture to open their hearts to the suffering that we inflict upon our nonhuman neighbors. He shows that the right of animals not to be imprisoned, harmed and killed for our benefit flows naturally from the Bible's message of love and compassion and argues that this is the message of the Bible's most important passages dealing with our relationship to animals. He further responds to the defenses of animal exploitation that are often made based on the Bible. Beautifully written, *The Dominion of Love* is an essential addition to a growing body of literature that argues for a compassionate and non-exploitative reading of Holy Scripture.

Animals and their Relation to Gods, Humans and Things in the Ancient World Raija Mattila, Sanae Ito, Sebastian Fink, 2019-03-11. Animals, Gods and Humans Ingvild Saelid Gilhus,2006-09-27 Consulting a wide range of key texts and source material Animals Gods and Humans covers 800 years and provides a detailed analysis of early Christian attitudes to and the position of animals in Greek and Roman life and thought Both the pagan and Christian conceptions of animals are rich and multilayered and Ingvild S lid Gilhus expertly examines the dominant themes and developments in the conception of animals Including study of biographies of figures such as Apollonius of Tyana natural history the New Testament via Gnostic texts the church fathers and from pagan and Christian criticism of animal sacrifice to the acts of martyrs the source material and detailed analysis included in this volume make it a veritable feast of information for all classicists **The Bible and Farm Animal Welfare** David Grumett,2024-07-11 The Bible was composed by and for people who farmed animals and observed them every day It contains many descriptions of farm animals and farming images that use farm animals and prescriptions relating to husbandry practices Farm animals are viewed as part of God s creation with their own purposes and modes of flourishing Both the Old and New Testaments take their welfare seriously prohibiting practices that cause pain or suffering and endorsing methods that promote welfare These prohibitions and endorsements are consistent with modern animal welfare science Examining animal groups bodies behavior and stockpersons this book shows that a biblical understanding of

farm animal welfare is scientifically valid and should motivate both farmers and consumers to take welfare seriously **All Things in the Bible** Nancy M.
