*Proclamation and Praise* Ronald Man, 2007-09-01 An important missing element in today's raging worship debates is a proper acknowledgment of the continuing ministry of the living Christ in mediating and leading our worship This is a crucial truth that transcends issues of style and form and thus provides a foundation for a unified and unifying understanding of worship in spite of the wide diversity of worship expressions that has always characterized the body of Christ The wonderful fact is that we are not left to worship God on our own strength Rather the grace of God which is so abundantly provided to us for our salvation and sanctification can be seen to be just as operational and effectual when it comes to our worship Our worship is acceptable and pleasing to God not because of any inherent excellence of its own but because we come in Christ and his righteousness into the Father's presence In Hebrews 2:12 we find an amazingly succinct yet powerful description of the two way mediating ministry of Christ he continues to be the agent of God's revelation to us and also serves as the leader and facilitator of our response back to God in worship Christ does not just open or show us the way into the Father's presence in worship he actively leads us takes us with him so that we might enjoy the same relationship

of love and fellowship that he himself enjoys with the Father This transforming understanding opens up a wide range of complementary truths concerning the Trinitarian and Christological implications of worship with profound implications for our churches *The End Times Survival Guide* Mark Hitchcock,2018 In The end times survival guide you will discover ten spiritual tools the Bible relates directly to our preparation for the Lord s coming ten biblical survival strategies to live out in these last days so you and your family can prosper in an increasingly decaying darkening world These strategies won t guarantee your physical or financial well being but they are guaranteed to bring life and vitality to your spiritual health and welfare as you cling to the immovable rock of God s Word *The Future of Protestant Worship* Ronald P. Byars,2002-01-01 Over the past several years churches have engaged in an ongoing debate between two different styles of worship traditional and contemporary Here Ronald Byars argues that many of the differences between the two styles are superficial Authentic worship being wholly theocentric can and must be both responsive to contemporary culture and grounded in history and tradition Thus rather than merely trying to please their members congregations must focus on exploring worship that is biblical honors our communion with the saints and takes seriously the ways that our culture is reshaping us He concludes with a description of an authentic postmodern Protestant worship service Revival in the Rubble John Kitchen,2006-06-12 Using the principles found in the book of Nehemiah John Kitchen shows how personal revival is what God desires for all His people and that it is possible Rising from the rubble of previous generations revival can happen here and now if you allow God to work in your life The Grand Essentials Ben Patterson,1987 A horrific family tragedy sends sixteen year old Jacob journeying to a remote island off the coast of Wales where he discovers the crumbling ruins of an old orphanage that was home to children who were more than just peculiar but possibly dangerous and who may still be alive Illustrated with vintage found photographs **What Language Shall I Borrow?** Ronald P. Byars,2008-01-14 What language is most appropriate for worship Should it lean toward the colloquial perhaps targeting those attending a worship service for the first time Or should it be a language with deeper roots the language of a community that for the most part already loves the God to whom worship is offered Ronald Byars argues that the communal speech that truly honors God is in fact biblical language which encompasses a vast range of forms poetry and prose song and proverb parable and narrative Byars explains how biblical language becomes liturgical language that pushes us beyond what we already think we know requiring us to think anew about death and resurrection beginnings and endings and the life of faith What Language Shall I Borrow is an instructive eloquent reminder not to retreat from biblical language and images but to fully embrace them in our worship today
