Sessions By Norman Seeff:

Joni: The Joni Mitchell Sessions Seeff Norman, 2018-12-18 An extraordinary collection of photographs of the legendary Joni Mitchell captured by celebrated rock and roll photographer Norman Seeff. Joni: The Joni Mitchell Sessions is the ultimate celebration of a visionary musician and the artist who captured her spirit on film. It is a creative partnership that has lasted for over 40 years. Joni Mitchell, the artist behind celebrated hits "Help Me" and "Big Yellow Taxi," and Norman Seeff, a rock and roll photographer with a host of legendary subjects in his portfolio, did some of their best work together. Joni was a truly authentic subject, able to surrender herself to the art and express herself freely within his lens. Through over a dozen sessions across more than a decade, together the photographer captured the many facets of her personality in some of her most famous images. Joni: The Joni Mitchell Sessions is the culmination of their partnership. Timed to release on Joni's 75th birthday, this collection of familiar and rare imagery tracks the pair's history together through these exclusive moments captured on film. A combination of album artwork and candid shots reveals Joni's personality in ways few have managed to capture before or since. Featuring commentary from Seeff on the enlightenment into his art that he gained from their sessions, this compilation is a true reflection on mutual creativity between artist and muse.

Last Chance Texaco Rickie Lee Jones, 2021-04-06 A candid and colorful memoir by the singer-songwriter and Duchess of Coolsville. Time. This troubadour's life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. Last Chance Texaco is the first ever, no holds barred account of the life of two-time Grammy Award winner and Rickie Lee Jones in her own words. Hilton Als: It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, she takes us on a singular journey through her nomadic childhood, her years as a teenage runaway, her legendary love affair with Tom Waits, and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs: "Chuck E's in Love," "Weasel," and the White Boys. Cool. Danny's All Star Joint and Easy Money, but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, and a pimp with a heart of gold, and tales of her fabled ancestors. This intimate memoir by one of the most trailblazing and tenacious women in music is filled with never-before-told stories of the girl in the raspberry beret whose songs defied categorization and inspired American pop culture for decades. A striking, distinctive self-portrait. The New York Times: Terrific. Jones is as fearless in prose as she is on stage. Minneapolis Star Tribune: Men leave, fame fizzles, family breaks your heart, but Jones knows a good story and how to tell it. Kirkus Reviews: starred review. The premiere song stylist and songwriter of her generation. Hilton Als: Pulitzer Prize winner and author of White Girls.
