**Set Aside Every Fear** Catherine of Siena, 2020-01-24 *Set Aside Every Fear* is a simple thirty day devotional based on the classic spirituality of St Catherine of Siena who was declared a Doctor of the Church in 1970 In only a few minutes each day this book offers you a glimpse of St Catherine's passion for living steeped in the intimate connection between love of God and service to others which has inspired people of faith for more than six centuries Originally published in 1997 and now back in print *Set Aside Every Fear* is the perfect prayer companion for busy people who want to root their spiritual practice in the solid ground of St Catherine of Siena's timeless and timely teachings on divine and human relationships Catherine brought together two frequently unconnected charisms mysticism and active ministry and embodied both throughout her life Her intimacy with God through prayer enabled her to minister to the poor and sick more deeply and to boldly speak truth to Church authorities When the papacy fled Rome for Avignon because of political conflict Catherine tirelessly encouraged the popes to return to Rome and was ultimately successful *Set Aside Every Fear* offers prayers in the voice of God and responses in the voice of humanity based on Catherine's own words which encourage you in your own practice of dialogue with God As you reflect on the mystery of divine love Catherine shares her own relationship with God in a way that challenges you to place your trust in God and abandon your worries as you follow him All the titles in the 30 Days with a Great Spiritual Teacher series contain a brief morning meditation a simple mantra to use throughout the day and a night prayer to focus your thoughts as the day ends John Kirvan is the series editor     *The Living Church* ,1997     *Cistercian Studies Quarterly* ,1999

**Catherine of Siena** Thomas McDermott, 2008 Although Catherine of Siena was proclaimed a Doctor of the Church in 1970 relatively little attention has been given to her mystical thought particularly in the English speaking world The Dialogue the famous compendium of her mature thought is difficult to understand owing to its interruptions repetitions overlapping arguments imagery and undefined terms Thomas McDermott breaks new ground in his systematic presentation of Catherine's teachings Drawing on the Dialogue and also on Catherine's 381 letters and prayers he explains clearly her principal teachings in relation to spiritual development and identifies Catherine's possible sources as well as her areas of originality By examining Catherine's life and mystical experiences McDermott shows how she herself grew spiritually and how her growth corresponds to her later teaching on the three stairs on the bridge of Christ crucified Finally the author puts forward what he regards as the fundamental message of Catherine's life and teaching Students of mysticism and spirituality will find this book a trustworthy guide through the incredibly rich mysticism of one of the 14th century's most amazing women
