

The background of the book cover is a photograph of a church interior. It shows a series of tall, arched windows with light streaming through, creating a warm, golden glow. The architecture is dark and appears to be made of wood or stone. The overall mood is serene and spiritual.

This Day I Choose Jennifer L. Brown,2023-10-02 This Day I Choose is a 90 day devotional designed to encourage all believers in their journey with Christ The Christian walk is a daily choice of surrender and dedication and let s face it some days it s easier said than done This devotional is a compilation of daily inspirational words written to believers throughout the years designed with one purpose in mind to encourage the reader to choose Christ every day of their lives It is our prayer that as you read through each page you will be inspired to keep fighting the good fight and to finish your race *The Permanent Holdout* Cornel Bonca,2025-04-01 Known for albums like Late for the Sky The Pretender and Running on Empty Jackson Browne was a master of capturing the counterculture ethos of the 1960s Cornel Bonca dives deeply into his music his long fifty year career and activism including environmentalism within the context of American life revealing a figure still fueled by certain American ideals like justice freedom and equality for all Browne grew up in Southern California in the early 1960s greatly influenced by his mother s progressive politics the music of Bob Dylan and the speeches of Martin Luther King Then drawn to the Laurel Canyon rock scene he moved to Los Angeles and established himself as a songwriter for The Eagles Linda Ronstadt and many others becoming a fixture of the singer songwriter movement in the early 1970s His music in the 1980s was largely political in scope critiquing America s conservative turn its militarism in Central America its nuclear brinksmanship with the Soviet Union and its dismantling of Great Society social programs He only returned to the personal music his fans treasured in 1993 with I m Alive Since then Browne s music has toggled back and forth between the personal and the political He s settled down into a long term relationship with environmental activist Dianna Cohen and remained astonishingly active in local and national politics This book dives into his music life and political activism in the changing face of America over the last fifty years and why he still matters today *The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)* C. H. same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky The Hummer John F.
