Communicate and collaborate effectively with parents physicians and agencies Go to Your Room! Shari Steelsmith, 2000

Understanding consequences is critical to a child s development of character conscience and responsibility Go to Your Room is not simply a general collection of techniques for discipline but rather a model of Logical Consequence Possibilities for each of 59 specific misbehaviours In preparing this book Steelsmith polled hundreds of parents and educators to discover the issues that most concerned them Setting Limits Robert J. Mac Kenzie, 1993 Most parents have difficulties striking the

right balance between being too permissive and too restrictive A veteran educational psychologist Dr Robert Mac Kenzie has the answer His three step approach to training children ages two through 17 helps parents teach their child how to make

acceptable choices and to truly understand the consequences of unacceptable behavior *The Parent's Problem Solver*
Cathryn Tobin, M.D.,2007-12-18 IMAGINE HAVING A PEDIATRICIAN ON CALL TO ANSWER ALL YOUR QUESTIONS
ABOUT PARENTING From tantrums to sleeping problems bullying to bed wetting The Parent s Problem Solver offers parents
quick commonsense and compassionate solutions that work from an author who is not only a pediatrician but also a mother
of four Whether your child is an infant or already in school Dr Cathryn Tobin s insightful advice will help you create positive
changes in your parenting strategies and your relationship with your children immediately Discipline in a nutshell is giving
children tools to succeed in life This book shows parents how William Sears M D coauthor of The Baby Book and The
Discipline Book Dr Spock helped us understand our children but Dr Tobin helps us understand ourselves By the time you
finish reading the first chapter you ll find a new approach to parenting problems that you can rely on John and Linda Friel
The 7 Worst Things Good Parents Do This is a wonderful book Dr Tobin gives us a brand new twist on solving problems with
our kids If Dr Tobin can t be your pediatrician read her book Jack Canfield coauthor of Chicken Soup for the Mother s Soul

8 Keys to Old School Parenting for Modern-Day Families Michael Mascolo,2015-04-27 Raising secure and confident
kids using best parenting practices from the past Does it ever seem to you like kids these days are in control of their parents
Having a strong sense of yourself as a parent is key to raising a resilient independent thoughtful and solution focused child
But over the last several generations parents have been immersed in the well intentioned idea that parenting should be child
centered rather than adult centered Many parents have begun to follow their children s lead rather than insist that children
adapt to parental prerogatives Parental authority has come to be seen as a bad thing The 8 keys presented in this book focus
on valuing your own authority as a parent cultivating your child s character applying discipline instead of punishment
strategies to motivate compliance fostering emotional development problem solving conflict management and effective
communication They will help parents raise self directed children who are active learners feel good about themselves take
initiative and have a strong moral compass **CRISIS AND THE CLASSROOM** Deborah J. Hill,2003-01-01 The purpose of
this book is to share knowledge from the author s personal experience as well as to provide information culled from multiple
and varied specialists in the field of emergency services and crisis management The crisis aspect as discussed in this book
deals with it as a disaster emergency calamity or catastrophe that is usually time limited and associated with danger The first
chapters focus on aspects of human nature that can lead to a crisis and attempt to answer why people resort to using
violence Family systems particularly the dysfunctional family are reviewed and a discussion of personality disorders is
followed by a review of some of the more negative aspects of human nature as shown both as individuals and as humans
functioning as a society and in looking at the family environment as a cause of crisis In addition to a review of social factors
there is particular emphasis on self defeating and self destructive behaviors that often lead to a crisis Part II concentrates on
the management of anger and violence and also reviews some successful and unsuccessful disciplinary practices used to deal

with misbehavior including problems associated with absenteeism and truancy Teenage pregnancy and the drug crisis in schools are also examined in this section Training and basic self defense techniques assertiveness skills and disaster preparedness are significant aspects of crisis management and are also reviewed in this section Part III concentrates on negotiation and communication skills that are often the most crucial aspects of successful crisis management programs The final section of this book is about healing and has been gathered from a variety of sources In particular the chapter on grief and loss is the result of interviewing many people around the world over the past 15 years in the wake of a variety of tragedies This section of the book also looks at practical ways to cope with the aftermath of crisis including stress management techniques various forms of traditional and alternative therapies and the use of humor as a defense mechanism and coping strategy One of the purposes of this book is to gather practical information and to organize and consolidate it for easy reference Although this book was originally written for teachers it will also prove helpful to anyone who is associated with schools
