Your Competent Child Jesper Juul, 2011-09-30 Readers comments A Fabulous Important Book Jesper Juul provides parents with such an amazing and absolutely vital approach to raising children that it rings true on every page Some of what he suggests we as parents do is difficult but all of it is right on about how we can raise confident healthy whole humans right from the start I was thrilled to have discovered a book that allowed me to see different possibilities with child raising Anyone with a child will gain immensely from reading this book seeing themselves in his numerous examples and learning how to move on from there I am grateful for this book and highly recommend it No Parent Should Be Without It With tremendous wisdom and a warm pragmatic eye Mr Juul helps us redefine the ways we look at a child s behavior and our relationship to our children and ultimately each other This is a book that doesn t offer easy answers or tricks to help in the raising of your child This is a book that helps you see with a child s eye hear with a child s ear and feel with a child s heart in ways that feel so natural and obvious you will wonder why you haven t thought of them before It is a book that offers day to day skills along with the thinking that helps generate them This groundbreaking book should be on the shelf of all parents everywhere I cannot recommend it highly enough If you have children read this book This is an amazing book that will surely turn upside down any thoughts you ever had about raising children Even though you may not agree with all the views in this book there is so much food for thought and new ideas that you will return to this book again and again for interesting and mind blowing advice

Bringing Up Good Kids Pasquale De Marco, 2025-07-19 In a world where moral values are increasingly challenged parents face the daunting task of raising good children individuals who possess strong moral character make ethical decisions and contribute positively to society This comprehensive guidebook provides parents with the knowledge strategies and inspiration they need to nurture their children s moral development from early childhood through adolescence and into adulthood Drawing upon research and expert insights this book explores the various stages of moral development from the egocentric perspective of young children to the

more sophisticated moral reasoning of adults. It emphasizes the crucial role of parents as moral exemplars providing guidance, setting limits, and fostering open communication to instill positive values and behaviors in their children. Effective discipline is essential for moral development, and this book offers practical strategies for parents to administer discipline in a fair, consistent, and age-appropriate manner. It underscores the importance of avoiding harsh punishment, which can undermine a child's self-esteem and lead to resentment. Instead, parents are encouraged to utilize positive discipline techniques that promote cooperation, self-control, and moral reasoning. The book also addresses the challenges parents may encounter in raising good children in today's complex world, such as the influence of peers, the impact of technology, and the erosion of traditional values. It provides guidance on how to navigate these challenges and create a supportive home environment that fosters moral development. With warmth, clarity, and compassion, this book empowers parents to be effective moral guides for their children, helping them instill positive values, develop strong character, and make ethical choices throughout their lives. It is an invaluable resource for parents who seek to raise children of strong moral character—children who will make a positive difference in the world. This book is more than just a guide to moral development; it is an inspiring call to action for parents who want to raise children who are not only successful but also good human beings.
