**Revision Decisions** Jeff Anderson,Deborah Dean,2023-10-10 Revision is often a confusing and difficult process for students but it s also the most important part of the writing process If students leave our classrooms not knowing how to move a piece of writing forward

we've failed them. Revision Decisions Talking Through Sentences and Beyond will help teachers develop the skills students need in an ever evolving writing language and reading world. Jeff Anderson and Deborah Dean have written a book that engages writers in the tinkering, playing and thinking that are essential to clarify and elevate writing. Focusing on sentences, the authors use mentor texts to show the myriad possibilities that exist for revision. Essential to their process is the concept of classroom talk. Readers will be shown how revision lessons can be discussed in a generative way and how each student can benefit from talking through the revision process as a group. Revision Decisions focuses on developing both the writing and the writer. The easy to follow lessons make clear and accessible the rigorous thinking and the challenging process of making writing work. Narratives setup lessons templates and details about how to move students toward independence round out this essential book. Additionally the authors weave the language reading and writing goals of the Common Core and other standards into an integrated and connected practice. The noted language arts teacher James Britton once said that good writing floats on a sea of talk. Revision Decisions supports those genuine conversations we naturally have as readers and writers leading the way to the essential goal of making meaning.

*Enchanted Evenings : The Broadway Musical from Show Boat to Sondheim* Washington Geoffrey Block Professor of Music University of Puget Sound, 1997-10-02 The classic musicals of Broadway can provide us with truly enchanted evenings. But while many of us can hum the music and even recount the plot from memory we are often much less knowledgeable about how these great shows were put together. What was the inspiration for Rodgers and Hart's Pal Joey or Rodgers and Hammerstein's Carousel? Why is Maria's impassioned final speech in West Side Story spoken rather than sung? Now in *Enchanted Evenings* Geoffrey Block offers theatre lovers an illuminating behind the scenes tour of some of the best loved, most admired and most enduring musicals of Broadway's Golden Era. Readers will find insightful studies of such all time favorites as Show Boat, Anything Goes, Porgy and Bess, Carousel, Kiss Me Kate, Guys and Dolls, The Most Happy Fella, My Fair Lady and West Side Story. Block provides a documentary history of fourteen musicals in all plus an epilogue exploring the plays of Stephen Sondheim showing how each work took shape and revealing at the same time production by production how the American musical evolved from the 1920s to the early 1960s and beyond. The book's particular focus is on the music offering a wealth of detail about how librettist, lyricist, composer and director work together to shape the piece. Drawing on manuscript material such as musical sketches, autograph manuscripts, pre production librettos and lyric drafts, Block reveals the winding route the works took to get to their final form. Block blends this close attention to the nuances of musical composition and stagecraft with trenchant social commentary and lively backstage anecdotes. Jerome Kern, Cole Porter, the Gershwins, Rodgers and Hart, Rodgers and Hammerstein, Lerner and Loewe, Kurt Weill, Frank Loesser, Leonard Bernstein, Sondheim and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision and integrity. Opening night reviews and accounts of critical and popular response to subsequent revivals show how particular musicals have adapted to changing

times and changing audiences shedding light on why many of these innovative shows are still performed in high schools colleges and community theaters across the country while others such as Weills One Touch of Venus or Marc Blitzsteins The Cradle Will Rock languish in comparative obscurity Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows Enchanted Evenings is an essential reference as well as a riveting history It will deepen readers appreciation and enjoyment of these beloved musicals even as it delights both the seasoned theater goer and the neophyte encountering the magic of Broadway for the first time Do It for a Day Mark Batterson,2021-11-02 The New York Times bestselling author of Win the Day challenges you to adopt seven powerful habits for thirty days and start your journey toward reaching your God sized dreams Destiny is not a mystery Destiny is daily habits Our lives are built on our patterns of behavior both constructive and counterproductive habits Whether we attain the things we desire mental and physical health financial freedom fulfilling relationships is determined by the things we do and the things we don t The good news You re one habit away from a totally different life You don t have to tackle the next 30 years You just have to start with right now In Do It for a Day you ll begin by identifying a change that is 3M measurable meaningful and maintainable Habit formation is both an art and a science and it helps to close the gap between you and your goals You can do anything for a day and those daily habits have a domino effect over time Mark Batterson will help you hack your habits Leveraging habit making and habit breaking techniques like habit switching and habit stacking Mark will coach you step by step for 30 days that will change your life **English Journal** ,2005 *American Theatre* ,1987-04 Reclaiming the Public University Judith Summerfield,Crystal Benedicks,2007 To reclaim the public university is to focus our energies on teaching all our students well educating them for a new increasingly complicated age To deliver on this promise we must interrogate the general education we provide for our students for that is the vast unrecognized ground we stand on It is what students and faculty do most in common If we can get educating our students right generally and liberally then we will have laid a claim to what the public university needs to be *Enchanted Evenings* Geoffrey Holden Block,2004 Discusses the great Broadway hits how they were conceived written and performed *Enchanted Evenings* Geoffrey Block,2009-10-30 This new second edition of Enchanted Evenings offers theater lovers an illuminating behind the scenes tour of some of America s best loved most admired and most enduring musicals Readers will find such all time favorites as Show Boat Carousel Kiss Me Kate Guys and Dolls My Fair Lady West Side Story Sweeney Todd Sunday in the Park with George and Phantom of the Opera Geoffrey Block provides a documentary history of each of the musicals showing how each work took shape and revealing at the same time how the American musical evolved from the 1920s to today both on stage and on screen The book s particular focus is on the music offering a wealth of detail about how librettist lyricist composer and director work together to shape the piece Block also includes trenchant social commentary and lively backstage anecdotes Jerome Kern Cole Porter the Gershwins Rodgers and Hart Kurt Weill Rodgers and Hammerstein Lerner and Loewe Frank
