Irving, 2002-10-01 It is important to understand that when a marriage is over it is not the time for retribution and revenge but rather the opportunity to strike out for a new life while providing for and protecting the children This book the first comprehensive treatment of family mediation for Chinese families provides the knowledge and skills to achieve that objectives Throughout the book the author discusses practical techniques for resolving family conflicts and creating parenting plans The model described enables mediators who

may be social work psychology or legal professionals to negotiate the issues in dispute so as to arrive at a settlement that is mutually acceptable and is fair and equitable to the families Divorcing couples should also read the book because it will help them with ideas and principles leading towards amicable solutions Definitive Guide on Financial Planning in Marriage Joseph N. Iwuala . CPA FCA,2023-11-22 The purpose of this book is to help couples to build solid marriages devoid of financial conflicts and marital dissolutions due to money arguments in marriage by understanding financial planning in marriage God s design for marriage commitment in marriage and the need to put one s spouse above the love for money This book will help rescue couples teetering on the edges of separation and divorce because of money arguments in marriage Scholarly research has found that thousands of couples are separated or divorced yearly because of money arguments in marriage The enemy of the family knows that once couples are separated those under their care such as their children will be vulnerable to all kinds of social vices such as drug use dropping out of school ending up in jail prostitution and having children as single parents Children raised in broken homes do not perform well in a society like those born and raised in two parent homes **Sacred Journey to Ladyhood a Woman'S Guide Through Her Write of Passage** Connie

Omar,2013-03-27 Sacred Lady is a term coined by Connie Omari that emphasizes the highest degree to which a woman creates her best self Connie begins the sacred journey by inviting her readers to understand the ways in which a lack of a rite of passage for women in the United States severely hinders our emotional and psychological welfare Recognizing the absence of such a formal ritual Connie models the concept of a Sacred Lady by utilizing her clinical educational international and spiritual experiences to create a rite of passage specific to the needs of women in the United States The concepts included along this journey are self confidence intimate relationships intuition family personal identity and spirituality By utilizing these themes Connie incorporates her knowledge of evidence based practices and her relationship with God to educate and empower her readers In doing so Connie dares to challenge societal norms and expectations uncovers avenues for embarking upon personal healing and creates a pathway for her readers to empower themselves their families their communities and the greater world Interested readers Connie welcomes you to join the Sacred Journey to Ladyhood

**Couples Therapy** Linda Berg Cross,2013-12-16 Harness the power of an integrative approach to couples counseling Why do marriages fail The behaviorist or cognitive therapist explains that unhappy couples have self defeating ways of thinking about their spouses and themselves The sociologically oriented counselor points to the impact of social trends and dramatic changes in child rearing and social expectations A therapist oriented toward psychodynamics or systems theory sees the destructive patterns of childhood replayed in the marriage with spouses taking on rigid roles The pastoral or humanist counselor believes that partners who cannot experience self fulfillment through commitment and trust will feel less love and grow more and more disconnected Couples Therapy Second Edition brings together all these points of view to make a unified whole This integrative approach proposes a new model of successful marriage based on four cornerstones resiliency

social support adaptability and self fulfillment Weaving together theory and research Couples Therapy Second Edition explores how common issues can lead to trouble in relationships It suggests specific interventions so therapists can teach clients to deal with such problem areas as anger management domestic violence depression anxiety parenting conflicts in laws work pressures and sexual dissatisfaction Couples Therapy Second Edition offers a sound theoretical framework as well as practical ideas Through clinical vignettes and up to date research it makes the common conflicts and developmental stages of marriage so understandable that it can be profitably read by clients as well as counselors Its invaluable resources for the couples therapist include end of chapter professional development questions therapeutic exercises answers to frequently asked professional and ethical questions intervention suggestions for the therapist self assessment questionnaires book and video recommendations on each chapter topic Written in clear readable prose Couples Therapy Second Edition offers practical help for the experienced clinician as well as theoretical overviews for the counselor in training Romance 101 Gregory J.
