Our Sacred Maíz Is Our Mother Roberto Cintli Rodríguez,2014-11-06 If you want to know who you are and where you come from follow the ma z That was the advice given to author Roberto Cintli Rodriguez when he was investigating the origins and migrations of Mexican peoples in the Four Corners region of the United States Follow it he did and his book *Our Sacred Ma z Is Our Mother* changes the way we look at Mexican Americans Not so much peoples created as a result of war or invasion they are people of the corn connected through a seven thousand year old ma z culture to other Indigenous inhabitants of the continent Using corn as the framework for discussing broader issues of knowledge production and history of belonging the author looks at how corn was included in codices and Mayan texts how it was discussed by elders and how it is represented in theater and stories as a way of illustrating that Mexicans and Mexican Americans share a common culture Rodriguez brings together scholarly and traditional elder knowledge about the long history of ma z corn cultivation and culture its roots in Mesoamerica and its living relationship to Indigenous peoples throughout the continent including Mexicans and Central Americans now living in the United States The author argues that given the restrictive immigration policies and popular resentment toward migrants a continued connection to ma z culture challenges the social exclusion and discrimination that frames migrants as outsiders and gives them a sense of belonging not encapsulated in the idea of citizenship The hidden transcripts of corn in everyday culture art song stories dance and cuisine ma z based foods like the tortilla have nurtured even across centuries of colonialism the living ma z culture of ancient knowledge **Sekret**

Machines: Gods Tom DeLonge,Peter Levenda,2017-03-07 An exceptional examination from award winning author and producer Tom DeLonge with renowned research author Peter Levenda *Sekret Machines GODS* will take you on an eye opening journey that transcends speculation and is based on unprecedented access to officials at the highest levels of government military and industrial agencies who have provided insights and assistance never before experienced by any researchers in this controversial field *GODS* takes us beyond speculation to certain knowledge of what exactly lies at the heart of the most important Phenomenon ever to confront human understanding This first volume introduces the reader to some of the critical issues that are foundational to an intelligent and enlightened grasp of the revelations that will follow in the next two volumes There is another Force in the universe of our Reality another context for comprehending what has been going on for millennia and especially in the last seventy years *Sekret Machines* is the result of input from scientists engineers

intelligence officers and military officials a group we call the Advisors and transcends the speculation of journalists historians and others whose conclusions are often either misinformed or only tease around the edges of the Sekret Machines The reader will not discover wild theories or unfounded claims but instead will confront a solid if often unsettling reality one that demands the collaboration of all of us in every field of human endeavor if we are to understand it and manage its effects If nothing else readers will come to the conclusion that the Phenomenon is not what they think it is It is in fact much more serious and potentially much more threatening than they can imagine Sekret Machines GODS is volume one of the companion investigation series to the bestselling thriller Sekret Machines Chasing Shadows by DeLonge and NYTimes bestselling author AJ Hartley The whole is truly greater than the sum of its parts Read together the thriller series and the investigation series show what cannot be revealed with one approach alone
