writer Thomas Merton remains one of the most influential voices of our day His many books are considered modern spiritual classics as he is credited with introducing the riches of the monastic tradition to many Here Esther de Waal devises a seven day personal or group retreat program using excerpts from Thomas Merton s writings and a selection of the photography for which he was also renowned She creates a retreat that can be made at home at a retreat center on vacation or over a week or longer The focus of each of the seven days is The Call Response The Solitary Within Encounter with Christ The Demands of Love Ordinary Things and Integration Resting Place Jane Rubietta,2009-12 A PERSONAL RETREAT We ve never needed it more We run from one place to the next from meetings and appointments to our kids soccer practice from work to class to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don t know how and don t really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In Resting Place retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others fulfilling our deep desire to be loved Spiritual retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd With Scripture to meditate on quotes to contemplate questions prayer and journaling ideas and creative exercises Resting Place leads us to and through times of rest The silence and solitude will follow us into our everyday world as we allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul longs for Spiritual Exercises Louis Bourdaloue,2023-07-18 This volume collects a series of spiritual exercises designed to guide the faithful through a retreat lasting seven days Originally composed by the French Jesuit Louis Bourdaloue in the 17th century these meditations have been abridged and translated into English by O Shipley for contemporary readers A valuable resource for anyone seeking to deepen their spiritual practice This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Spiritual Exercises of an Eight Days Retreat* Bonaventure Hammer,2015-06-12 Excerpt from The Spiritual Exercises of an Eight Days Retreat But few people in the world understand what a spiritual retreat means To separate one s self from family friends and business in order to treat with God in holy solitude on the affairs of eternity on the world which is to come seems

to the majority of men useful at most for religious Have then people of the world not to think of religious truths Are these subjects for the devout only Can a man of the world say I am perfect what more do you want of me Well suppose he might say so this conclusion would only be the result of a serious self consideration Now this serious self consideration of one s soul is the work the object of a spiritual retreat Is it asking even the business man too much to lay aside for a few days his daily cares to settle the only necessary affair for which alone he is in the world to see to and consider his eternal interests Moreover will not our very temporal affairs draw profit from the retreat Is it not true that patience freedom of mind and self control are great elements of success Are there not moments in the lives of business men when there is the greatest need of resignation and courage in order to avoid falling into despair This courage this confiding hope is the fruit of a spiritual retreat It is true we have at times in parishes the ordinary public mission exercises excellent indeed as far as they go But are the fruits thereof complete About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
