them stories made up rhymes wrote in her diary and read prodigiously Her work and determination eventually paid off and after a series of submissions and rejections she won a childrens poetry competition at the age of 14 At the age of 17 upon graduation from St Christophers Enid left home to live with her friend Mary Attenboroughs family She continued to visit her father on occasion but was resentful of his new wife who she considered the cause of her parents divorce and their three children Although she showed a gift for music encouraged by her mother to become a pianist Enid decided not to enter the Guildhall School of Music and instead followed her passion as a writer Buy a copy to keep reading **TABLE OF CONTENTS** Introduction Background and Upbringing Major accomplishments and awards Personal Life Scandals Recap of recent News Public statements and attributed quotes Trivia Facts Conclusion Sources and Further Reading **The Six Sacred Stones** Matthew Reilly,2008-12-30 In the thrilling sequel to the bestselling Seven Deadly Wonders super soldier Jack West Jr and his elite team must race to secure the world from a looming Armageddon **Encountering Material Culture Through Archaeological Fiction** Kerry Dodd,2024-12-12 Investigating the representation of artefacts objects and things in a range of predominantly Western archaeological fiction from the late Victorian period to the modern day this book examines the narratives through which humanity represents its own material heritage in relation to notions of enchantment exhibition estrangement adventure tourism and waste Kerry Dodd asserts that comprehending the structures through which material culture is presented within archaeological media reveals the structures that transform an object from rubbish to relic Calling upon such indicative literature films TV series and video games as Tomb Raider Indiana Jones Uncharted and Relic Hunter this book explores the depiction of material culture through three principal areas relics exhibition and adventure Outlining a critical framework of artefact representation Dodd argues that such iconic moments as Howard Carter s remark that he saw wonderful things when he broke into the antechamber of Tutankhamun s tomb remain recognisable through the evocation of a spectacular visual despite little concrete definition of the objects witnessed This book offers a unique exploration of how such figures as Indiana Jones Lara Croft and Carter have cemented a cultural recognition of what an artefact constitutes as being dependent on how an object is encountered It is through the very wonder of things that Dodd breaks down the boundaries between popular and professional archaeology by pushing forward critical considerations of material culture **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
