

The Seven Ages of Man

by William Shakespeare (adapted excerpt)

All the world's a stage,
And all the men and women merely players:
They have their exits and their entrances;
And one man in his time plays many parts,
His acts being seven ages. At first, the infant,
Mewling and crying in the nurse's arms;
Then the whining school-boy, with his satchel
And shining morning face, creeping like snail
Unwillingly to school. And then the lover,
Sighing like furnace, with a woeful ballad
Made to his lady friend's eye-brow. Then a soldier,
Full of strange oaths, and bearded like the pard¹,
Jealous in honor, sudden and quick in quarrel,
Desert all the correct answers.

Which two details best shape the theme that people experience different phases throughout a lifetime?

- ☐ And one man in his time plays many parts, His acts being seven ages.
- ☐ And all the men and women merely players:
- ☐ Full of wise saws and modern instances; And so he plays his part.
- ☒ Jealous in honor, sudden and quick in quarrel,
- ☐ Then the whining school-boy, with his satchel

Seven Different Plays
