blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book The Prayer of Faith Praying with Hope is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on

for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person s life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one s prayers don t include the essential contents effectiveness or power will be greatly diluted *Readers' Guide to Periodical Literature* ,1906 **Effective Prayer** Al Danks,2014-08-01 The Bible does not give us a definition of prayer It does however give us many examples of prayer From these examples we may gain understanding of what prayer is the kinds of results to pray for and how to pray In addition to these examples the Bible also contains a number of declarations that tell us what is required of us to pray effective prayer Even though there are many different types of prayer we find a number of common elements All prayer involves a verbal communication with God and the power of God Word of God and faith All prayer also works to produce a result The application of the Word of God through faith and the results produced are constrained by the requirements declared in scripture The application of physical power is governed by physical law It should not be surprising to find that the application of spiritual power is governed by spiritual law and that the requirements declared in scripture correspond to the spiritual laws that govern prayer Effective Prayer looks at what the Bible tells us about prayer and shares insight into why we pray what prayer is the process of prayer how we grow and strengthen faith complying with spiritual law in prayer getting the path of the prayer applying the power of God in prayer measuring progress and results in prayer and receiving and keeping the results of our prayer **Forthcoming Books** Rose Army,1992-10 **Sociology of Religion for Generations X and Y** Adam Possamai,2016-04-08 Generations X and Y are plugged into the contemporary world of consumption popular culture and the internet These generations treat knowledge and belief as a more flexible concept often focusing on the practical rather than the theoretical and often drawing on conflicting sources in both popular and cyber culture Their approach to religious belief and practice requires a new way of studying the sociology of religion Sociology of Religion for Generations X and Y examines key world religions Buddhism Christianity and Islam as well as newer religious groups such as Scientology New Age Witchcraft and online communities such as Jediism and Matrixism The book covers a range of key concepts secularisation and modernisation re enchantment the McDonaldisation of society and the easternisation of the west Each chapter opens with a case study from popular culture or the internet which takes the reader to the heart of the topic being discussed Employing both classical sociological theory and contemporary critical theory Sociology of Religion for Generations X and Y explains where contemporary religion and spirituality are coming from where they are now and where they are going **Pray Like A Pro** Carlene Kelly,2019-05-24 Pray Like a Pro is an incredible prayer tool in the hands of every believer from the beginner to the seasoned prayer intercessor There is no greater prayer example to follow than the prayer that Jesus Himself prayed and then gave to His disciples The Lord s Prayer is more than a prayer to recite It is an in depth study of strategic and effective communication that combined with faith will produce phenomenal results Pray Like a Pro encourages intimacy with a Heavenly Father that loves us and cares for us daily When we understand

our relationship with God and learn how to effectively communicate with Him then prayer is no longer a ritual or duty.
