Jerry Lembcke

Seven Years In Hanoi A Pow Tells His Sto:

Seven Years in Hanoi Larry Chesley,1973 Prisoners of War Arnold Krammer,2007-11-30 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy **Interrogation and Torture** Steven J. Barela,Mark Fallon,Gloria Gaggioli,Jens David Ohlin,2020 This book develops for the first time a comprehensive discussion regarding the legality of torture and the efficacy of interrogation Scientific research has concluded that torture is not effective So what interrogational methods are effective and how does one deploy those methods in such a way that is

consistent with law and morality Defiant Alvin Townley, 2024-03-26 A vivid testimony to what the human spirit can overcome For those interested in Vietnam's Band of Brothers it is a must read Jay Winik 1 New York Times bestselling author of April 1865 During the Vietnam War hundreds of American prisoners of war faced years of brutal conditions and horrific torture at the hands of North Vietnamese guards and interrogators who ruthlessly plied them for military intelligence and propaganda Determined to maintain their Code of Conduct the POWs developed a powerful underground resistance To quash it their captors singled out its eleven leaders Vietnam's own dirty dozen and banished them to an isolated jail that would become known as Alcatraz None would leave its solitary cells and interrogation rooms unscathed one would never return As these men suffered in Hanoi their wives at home launched an extraordinary campaign that would ultimately spark the nationwide POW MIA movement The members of these military families banded together and showed the courage not only to endure years of doubt about the fate of their husbands and fathers but to bravely fight for their safe return When the survivors of Alcatraz finally came home in 1973 one veteran would go on to receive the Medal of Honor another would become a US Senator and a third served in the US Congress Defiant is powerful account of survival and triumph and how eleven men held on to their courage and faith in the darkest of situations A page turner Marine Corps Times A gripping account Townley's telling of these important stories is fresh and vivid thanks to his interviews with surviving prisoners and their family members He also adds an important and often overlooked dimension to the prisoners stories that of their wives campaign at home to thrust the plight of the POWs into the national spotlight The New York Times Book Review A riveting tribute to true American heroes Senator John McCain POW 1967-73 Includes photographs Dissenting POWs Tom Wilber, Jerry Lembcke, 2021-04-22 Looking into the underlying factional divide between pro war hardliners and anti war dissidents among the POWs authors Wilber and Lembcke delve into the postwar American culture that created the myths of the Hero POW and the dissidents blamed for the loss of the war What they found was that it was the class backgrounds of the captives and their pre captive experience that drew the lines After the war the hardcore hero holdouts like John McCain moved on to careers in politics and business while the dissidents faded from view as the antiwar movement that might otherwise have championed them disbanded **Voices of the Vietnam POWs** Craig Howes, 1993-09-30 Unsure whether they would be greeted as traitors or heroes POWs returning from Vietnam responded by holding tight to their chosen motto Return with Honor We're giving the American people what they want and badly need heroes said a Vietnam jungle POW I feel it's our responsibility our duty to help them where possible shed the idea this war was a waste useless as unpopular as it may have been In the first book to explore the entire range of memoirs biographies and group histories published since America's Vietnam POWs returned home Craig Howes explores the development of a collective history He describes how these captives drew upon their national heritage to compose a unified common story while still in prison and how individual POWs have responded to this Official Story Examining what racial cultural and political assumptions support this shared

Official Story Howes places the POWs experiences squarely in the center of American history and within those larger clashes of opinion and belief which characterized the nation s response to the Vietnam War The result is an engrossing study of what these captivity narratives can tell us about the POWs their captors and America s Vietnam legacy The United States and the Vietnam War, 1954-1975 Louis Peake,2007-11-13 The United States in the Vietnam War 1954 1975 is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of The United States in the Vietnam War 1954 1975 is an invaluable reference tool for researchers and students of the Vietnam War Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **No Direction Home** Natasha Zaretsky,2010-01-27 Between 1968 and 1980 fears about family deterioration and national decline were ubiquitous in American political culture In No Direction Home Natasha Zaretsky shows that these perceptions of decline profoundly shaped one another Throughout the 1970s anxieties about the future of the nuclear family collided with anxieties about the direction of the United States in the wake of military defeat in Vietnam and in the midst of economic recession Zaretsky explains By exploring such themes as the controversy surrounding prisoners of war in Southeast Asia the OPEC oil embargo of 1973 74 and debates about cultural narcissism Zaretsky reveals that the 1970s marked a significant turning point in the history of American nationalism After Vietnam a wounded national identity rooted in a collective sense of injury and fueled by images of family peril exploded to the surface and helped set the stage for the Reagan Revolution With an innovative analysis that integrates cultural intellectual and political history No Direction Home explores the fears that not only shaped an earlier era but also have reverberated into our own time **Caged Heroes** Jon Couch,2011-11-11 Caged Heroes American POW Experiences from the American Revolution to the Present is snapshot of four hundred years of hostage and prisoner of war experiences Caged Heroes details prisoners experiences from the moment they are told to put their hands up through their detentions and culminating in their releases It examines the successes and failures of the United States government to prepare its forces for prisoner events discussing survival schools rules on how prisoners are told to act while in captivity and glimpses of how being taken prisoner effects the

prisoners and guards alike Using numerous personal interviews and diaries of former prisoners and their spouses the reader gets a rare look at the horrors these men and women experienced Containing an extensive bibliography and complete POW rosters from several conflicts this book will add to any casual readers knowledge and serve as a top reference for those wanting to understand more about this misunderstood field **The Resilience Workbook** Glenn R. Schiraldi, 2017-11-01 More and more studies show that resilience is the cornerstone of mental health and wellness In *The Resilience Workbook* Glenn Schiraldi author of *The Self Esteem Workbook* helps readers foster the skills necessary to bounce back from setbacks big and small and cultivate a growth mindset using positive psychology cognitive behavioral therapy CBT mindfulness and skills for regulating stress *Hanoi Jane* Jerry Lembcke, 2010 A provocative analysis of how and why Jane Fonda the person became Hanoi Jane the myth John Owen, 2008-10 The 2007 Navy football season was a testament to courage resilience and a sheer determination to never give up Into the Fire recounts the heart stopping victories and heart breaking losses and interweaves stories of the remarkable young men who week after week took on teams who were bigger faster and stronger than they were but who never flinched in the face of a good fight P 4 of cover *The United States in the Vietnam War, 1954-1975* Louis A. Peake, 1986 **Honor Bound** Stuart I. Rochester, Frederick T. Kiley, 1998 Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject **Vietnam Studies** Carl Singleton, 1997-05-22 Provides the interested researcher with background on this small but important country A detailed introduction describes the cultural and societal background of native Vietnamese and Vietnamese Americans Chapters provide annotations classified in categories such as history culture and art language and literature business and economics contemporary Vietnam and the war with America *Ban Bak: A Historian's Notebook*, 2014 Nail 213, 2015 Ban Bak is a definitive study of the discovery and destruction of a secret Laotian logistics complex on the Ho Chi Minh Trail Forward Air Controllers observed suspicious activity near the Ban Bak river crossing CHECO reports of the COVEY Bomb Dump were flawed but COVEY 257 Gary Beard corrects the record with first person accounts by participants Additional information both historical and fictional is provided by veteran authors whose writings lend both resource and context Ban Bak is third of three FAC related volumes associated with FACs in the Vietnam War Cleared Hot Vol I and Cleared Hot Vol II BAN BAK extends these accounts by including tributes to fallen FACs a Time Line of Forward Air Controllers in history an Lexicon of FAC Terms and Information a classified report on COMBAT INK surveillance methods and an extensive bibliography of FAC related literature and sources

useful to all readers of Vietnam history Ban Bak is 474 pages long A4 format in soft binding only **Air University Library**
Index to Military Periodicals, 1974 The Wars in Vietnam, Cambodia, and Laos, 1945-1982 Richard Dean Burns, Milton
Leitenberg, 1984 Lists sources which discuss the history and causes of war in Indochina "Aid and Comfort" Henry Mark
Holzer, Erika Holzer, 2015-08-13 Jane Fonda's visit to Hanoi in July 1972 and her pro North Vietnamese anti American
conduct especially her pose with an anti aircraft gun used to shoot down American planes and her propaganda broadcasts
directed toward American troops angered many Americans In their eyes she was guilty of treason but she was never charged
by the American legal system Instead she has made millions been the recipient of countless awards and remained an honored
American icon This work investigates Fonda's activities in North Vietnam and argues that she could have been indicted for
treason that there would have been enough evidence to take the case to a jury that she could have been convicted and that a
conviction probably would have been upheld on appeal It also considers Fonda's early life and the effect it had on her
behavior and beliefs in her later years her audience of American POWs who were forced by the Vietnamese to listen to her
broadcasts condemning them as war criminals her arrival in Vietnam and how it was viewed by American servicemen and
civilians the crime of treason throughout history and the only Congressional inquiry into her actions which resulted in the
government's decision to take no legal action against her Texts of Fonda's radio broadcasts to American servicemen
comprise the appendix Congressional Record United States. Congress, 1998 The Congressional Record is the official
record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The
Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and
Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the
Congressional Globe 1833 1873
