Printz,1955 The Angel Babies V Clive Alando Taylor,2015-03-25 The Angel Babies is really and truly the story of humanity set against the backdrop and told through the trials of the Angels of the Celestial and Empyreans Heavens But I suppose it also translates on a much higher and grander level of understanding as I also feel that this story very much ties together the complex relationships and beliefs that can separate us all but can also equally tie us together within a common thread if not a higher power Then at least let me say love for want of better attribute with which to identify with as it is in this the definitive and final chapter of the Angel Babies whereupon our angels are found to be at the beginning and yet the end of time with which to know and to examine their true purpose and potential in life With everything that they have now they finally came to know hinges upon a black hole and the truth of all totality concerning their Timespell which could inevitably deliver them to salvation or even their own demise and destruction It is into coming to terms with what most of us ordinary people of the world would do for an ultimate explanation of all in calling God As much as I have had many an interest in prophetic and religious and spiritual text I have always for some reason tried to apply my spiritual attainments to become concerned and attuned to the Book of Revelations especially as I believe that if I did not at least attempt to try to tackle the themes and narrative set out in this apocalyptic vision then I myself would not be doing humanity or mankind any

real service or commitment to unlock the potentiality of holistic creativity and the imagination of the human spirited nature which we all seem so easily to possess and yet are limited in its usage So I only pray and hope that this story may shed some light upon this and grant us some bearing upon reading and discovering the world as I have come to know it with the Angel Where the Eagles Gather Elizabeth Clare Prophet, 1982-08 Your Angels Are Speaking Sharon Rahm, 2000-12-28 For this new millennium the Angelic Realm has messages about how to improve our lives with their loving assistance The Angels Archangels Ascended Masters and Spirit Guides are God's messengers and can give us perfect solutions to our problems and teach us how to manifest everything we need and want from the universe Wisdom 1972 Mark L.
