Seven Churches Not In The Of Revelation:

The 7 Churches Not in the Book of Revelation Gene Mims, John Perry, 2001 A book to help leaders understand their church culture and adjust their leadership style for the body they serve **The Seven Letters to the Seven Churches** Chuck Missler, 2023-01-25 The Book of Acts covers about 30 years Chapters 2 and 3 of the Book of Revelation cover the next 2 000 This study will explore the seven letters by Jesus Christ to actual historical churches and the church ages they represent These letters describe with amazing precision the unfolding of all church history in advance This chronicle fills the gap between the 69th and 70th Week of Daniel We will also find many insightful personal applications as we apply each letter to ourselves **Priesthood and Temple in John's Apocalypse** Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality The End Times Controversy Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

Kiser, 2021-02-09 While in exile on the Island of Patmos the Apostle John received this instruction from Jesus Write what you see into a book Send it to the seven churches Ephesus Smyrna Pergamum Thyatira Sardis Philadelphia and Laodicea

Revelation 1 11 The Message Bible Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches The content of these messages does not contain the opinions or instructions of a pastor deacon elder or governing church council These messages were sent directly from Jesus and reveal his assessment of each church This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches But there are additional reasons as well which are dealt with extensively in this book The messages reveal what is acceptable and unacceptable to Jesus in the life of a church They also reflect seven periods of church history In addition the messages explain a Christian s relationship to the group of believers with which they are associated Furthermore they stress the responsibility of every Christian to protect the spiritual welfare of the local church Finally these messages provide the proper perspective of what Jesus values most in a church At the end of each message Jesus makes this statement Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches Revelation 2 7 New Living Translation The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them They are intended for anyone who has ears to hear what the Spirit says to the churches

Revelations of the End Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

The Seven Churches of Asia Minor Dr. Orville R. Beckford Sr., 2014-09-22 If you have ever read about the seven churches of Asia Minor and wondered what they are all about this book will help you get a deeper insight into the character of these churches You will get a look at their geographical locations their historical backgrounds and their experiences that shaped the way Christ addressed them Christ introduced himself to these seven churches in seven different ways because their works were different and he wrote them according to their works The church of Ephesus the first of the seven left its first love and the last of the seven the Church of Laodicea focused on material wealth without recognizing that Christ was on the outside knocking seeking the opportunity to come in The Seven Churches of Asia Minor will take you through each church one by one it will help you to identify actions for which they were admonished or encouraged Five out of these seven churches were admonished warned and given specific steps to take for their restoration they could take these steps or face the consequences meted by Christ himself The Seven Churches of Asia Minor will be an eye opener for churches and individuals alike
