The Seventh Day Kris Doulos, 2017-04-13 According to the Lord one day is the same as one thousand years and one thousand years is the same as one day 2 Pet 3 8 Based upon dates recorded in the Bible and the words of Christ this world has just begun its seventh millennial day Why did God create man and this universe What commonly known creative force is left out of the theory of evolution What speed is greater than the speed of light What language is used to communicate with animals and inanimate objects What makes people in all religions acceptable to God Who are the Father Son and Holy Spirit if there is only one God What does 600 60 6 represent When did the apocalypse happen When was the battle of Armageddon For people waiting for Christ to return where is he now What is he doing What causes more death and destruction than all other forces combined An unbiased person who trusts the information in the Bible and secular history will readily see the answers to these questions You may be surprised at the simplicity of these answers

The Rosary Roberto M Irizarry,2018-09-21 The rosary has long been practiced as a way for Christians to get closer to Mary the mother of Christ who has a central place in their spiritual lives Yet this practice is also considered by some as an irreconcilable cause for division claiming that the rosary is tantamount to idolatry or blasphemy *The Rosary Blasphemous or Pleasing to God* offers a way for Christians to reach as much consensus as possible on the subject of the rosary a practice many Christians use when relating to Mary Author Roberto Irizarry explains how the rosary is both understood by its proponents and misunderstood by those who consider it pure idolatry showing especially how Christians who practice the rosary relate differently to Mary than they do to the Father the Son and the Holy Spirit Ultimately he appeals to Christians of all denominations urging understanding and unity instead of division While the rosary might still be a divisive practice Christians of all traditions can learn more about it its history and its meaning with prayerful sincere and well informed consideration on both sides of the issue Honoring Mary can be a central part of a believer s spiritual life and understanding how Christians relate to Mary will hopefully draw us closer to the oneness of faith that all Christians want deep inside
