Seven Qualities Of A Man Of Faith:

Seven Qualities of a Man of Faith John Osteen, 1990-09

Becoming a Man of Unwavering Faith Joel Osteen, 2011-08-10

During the course of his 60 year ministry John Osteen combined an extraordinary love for people with a vision for ministry best described in his own words No limits In this hardcover volume not only includes content from John s sermon transcripts but also a foreword and commentary written by his son Joel the principles of this no limits faith come alive again for a new generation For the moments of struggle and temptation that every man faces and the times in life when he feels surrounded and under attack John s message is profoundly simple those moments are precisely the time for an unwavering faith In this book John schools today s believers in seven qualities of unwavering faith 1 It hears and sees what the world cannot see or hear 2 It prays earnestly even though it has already heard the answer 3 It is strong when there is no evidence of the answer 4 It always says Go Again 5 It goes on when there s just a little evidence 6 It believes for the big when it sees the little 7 It begins with nothing but ends up doing mighty things for God Osteen also provides principles for those times when faith doesn t seem to be working *Becoming a Man of Understanding Faith* is a guidebook to stronger faith from a man who spent a lifetime testing its limits

Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S *Salvation with a Smile* the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood s founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America s largest megachurch As a popular preacher Joel Osteen s ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere s keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence *Salvation with a Smile* situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success

Course Corrections to Faith and Identify the Real Gospel Authors John Zavicar,2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with

the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did

The Confessions of a Baptist Preacher John Osteen, 1983 *Morals on the Book of Job: Volumes 1 to 3* Saint Gregory the Great, Aeterna Press, The following Commentary may perhaps be regarded with the less interest by some readers as not being founded on a critical examination of the original Text Perhaps however there may also be readers who are glad to have their attention withdrawn from difficulties to them insuperable and fixed on those deep and pervading characteristics which it is the privilege of holiness to read in the sacred page Criticism may contradict the interpretation of a sentence and give a different turn to particulars but the main scope of the work is founded on principles of a higher order and involves a perception of truths to which the acutest critic may perchance be blind The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said it is the Book of Job Aeterna Press
