Sewer Sleuth:

The Sewer Sleuth Julia Jarman, 2002-04-25 The successful Sparks series looks at major events in British history through the eyes of fictional and real life characters Each book takes the form of a lively and exciting narrative which contains a lot of interesting information about each event London's Burning gives a dramatic account of the Great Fire of London Mystery at the Globe investigates an arson attempt in the Globe theatre during the time of Shakespeare The Sewer Sleuth is set in the notorious Victorian cholera outbreak Ratchet and Stench Robert A Webster, 2016-03-31 Dog Gone Mystery When Cruft's Best of Breeds Champion mysteriously disappears the finger of suspicion points at the owner of a rival kennel Somerset police find the missing Scottish terrier's dermal tracker but cannot find further evidence of a crime Having no proof they are unable to do anything and drop any investigations The other dogs call in Ratchet and Stench and even though they uncover clues that suggest a brutal murder the animal sleuths aren't convinced Sewer Jessica Leigh Hester, 2022-10-06 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things What can underground pipes tell us about human eating habits and the spread or containment of disease such as COVID 19 Why are sewers spitting out plastic and trash into waterways around the world How are clogs getting gnarlier and more numerous Jessica Leigh Hester leads readers through the past present and future of the system humans have created to deal with our own waste and argues that sewers can be seen as a mirror to the world above at a time when our behaviors are drastically reshaping the environment for the worse Sifting through the muck offers a fresh way to approach questions about urbanization public health infrastructure ecology sustainability and consumerism and what we value Without understanding sewers any attempt to steward the future is incomplete Object Lessons is published in partnership with an essay series in The Atlantic Crime Scene Chemistry for the Armchair Sleuth Cathy Cobb, Monty Fetterolf, Jack G.
