Sex and Racism in America Calvin C. Hernton, 1965      **Sex and Racism** Calvin C. Hernton, 1973      *Sex and Racism in America* Calvin C. Hernton, 1965      **Sexual Racism and Social Justice** Denton Callander, Panteá Farvid, Amir Baradaran, Thomas A. Vance, 2024 This book brings together a collection of research personal reflection and creative work to provide a comprehensive in depth account of sexual racism from an international and interdisciplinary perspective The volume makes the case that sexual racism is in the very foundations of our societies determining the ideas bodies and systems positioned as desirable From this provocative perspective Sexual Racism and Social Justice offers a new understanding of the relationship between sex and race arguing that to undesign whiteness is to help undo sexual racism which are essential steps in the meaningful advancement of social justice      **Sex and Racism** Calvin C. Hernton, 1965

**Sexual Racism** Charles Herbert Stember, 1976      *The Dialectic of Sex* Shulamith Firestone, 2003-03-05 No one can understand how feminism has evolved without reading this radical inflammatory second wave landmark Naomi Wolf Originally published in 1970 when Shulamith Firestone was just twenty five years old and going on to become a bestseller The Dialectic of Sex was the first book of the women s liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the granting of the vote to women in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Identifying women as a caste she declares that they must seize the means of reproduction for as long as women and only women are required to bear and rear children they will be singled out as inferior Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal In the wake of recent headlines bemoaning women s squandered fertility and the ongoing debate over the appropriate role of genetics in the future of humanity The Dialectic of Sex is revealed as remarkably relevant to today s society a testament to Shulamith Firestone s startlingly prescient vision Firestone died in 2012 but her ideas live on through this extraordinary book A must have for those interested in feminist theory both past and present Kathleen Hanna founding member of the Riot Grrrls movement      *Sex & Racism* Percy Mobogo More, 2011      **The Right to Sex** Amia Srinivasan, 2021-09-21 Laser cut writing and a stunning intellect If only every writer made this much beautiful sense Lisa Taddeo author of *Three Women* Amia Srinivasan is an unparalleled and extraordinary writer no one X rays an argument a desire a contradiction a defense mechanism quite like her In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles The Right to Sex is a bracing revivification of a crucial lineage in feminist writing Srinivasan is daring compassionate and in relentless search of a new frame Jia Tolentino author of *Trick Mirror* Reflections on Self Delusion Thrilling sharp and deeply humane philosopher Amia Srinivasan s *The Right to Sex* Feminism in

the Twenty First Century upends the way we discuss or avoid discussing the problems and politics of sex How should we think about sex It is a thing we have and also a thing we do a supposedly private act laden with public meaning a personal preference shaped by outside forces a place where pleasure and ethics can pull wildly apart How should we talk about sex Since MeToo many have fixed on consent as the key framework for achieving sexual justice Yet consent is a blunt tool To grasp sex in all its complexity its deep ambivalences its relationship to gender class race and power we need to move beyond yes and no wanted and unwanted We do not know the future of sex but perhaps we could imagine it Amia Srinivasan's stunning debut helps us do just that She traces the meaning of sex in our world animated by the hope of a different world She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon She discusses a range of fraught relationships between discrimination and preference pornography and freedom rape and racial injustice punishment and accountability students and teachers pleasure and power capitalism and liberation **The Right to Sex** Feminism in the Twenty First Century is a provocation and a promise transforming many of our most urgent political debates and asking what it might mean to be free     Interracial Intimacy Rachel F. Moran, 2001 Crossing disciplinary lines Moran looks in depth at interracial intimacy in America from colonial times to the present She traces the evolution of bans on intermarriage and explains why blacks and Asians faced harsh penalties while Native Americans and Latinos did not She provides fresh insight into how these laws served complex purposes why they remained on the books for so long and what led to their eventual demise As Moran demonstrates the United States Supreme Court could not declare statutes barring intermarriage unconstitutional until the civil rights movement coupled with the sexual revolution had transformed prevailing views about race sex and marriage     **The Ethics of Sex** Neil McArthur, 2022-03-29 *The Ethics of Sex* An Introduction systematically and comprehensively examines the ethical issues surrounding the concept of sex It addresses important questions such as How can we approach questions of sexual ethics in a philosophical way Must we give affirmative consent to all sexual activity and what would be the impact of implementing an affirmative consent standard into law Can our dating preferences ever be considered a form of discrimination Is BDSM sex compatible with feminism Should we promote monogamy as the best way to live Is it harmful to have a relationship with a robot Should sex work be decriminalized Is there a right to sex Including discussion questions and suggestions for further reading at the end of each chapter *The Ethics of Sex* is the perfect philosophical introduction to the perennially topical issue and ideal reading for students taking courses within the fields of applied ethics sociology law religion and politics     *Racism and Gay Men of Color* Sulaimon Giwa, 2022-01-27 Sulaimon Giwa's aptly named *Racism and Gay Men of Color* arrives at a time when many of the sociocultural issues it raises have come to national attention Yet gay men of color in Canadian GLBT communities are still subject to racism and excluded both online and offline If a gay man of color is not the right color he is often the recipient of stereotypical racial epithets and denied sexual approbation within an erotic world where sexual desires are structured along the lines of race ethnicity age

disability and class Giwa warns against the denial that underlies much of this monolithic racism and highlights the strategies used by gay men of color to counter racism in their communities and to lead strong effective lives This important book will inspire advocates and activists students and scholars and will become indispensable in university and college courses on sexuality and race studies      *Fundamental Concepts and Critical Developments in Sex Education* Reece M. Taylor,2016-11-03 Michel Foucault s *The History of Sexuality* is one of the most influential philosophical works of the twentieth century and has been instrumental in shaping the study of Gender Feminist Theory and Queer Theory But Foucault s writing can be a difficult book to grasp as Foucault assumes a familiarity with the intellectually dominant theories of his time which renders many passages obscure for newcomers to his work *The Routledge Guidebook to Foucault s The History of Sexuality* offers a clear and comprehensive guide to this groundbreaking work examining The historical context in which Foucault wrote A critical discussion of the text which examines the relationship between *The History of Sexuality* *The Use of Pleasure* and *The Care of The Self* The reception and ongoing influence of *The History of Sexuality* Offering a close reading of the text this is essential reading for anyone studying this enormously influential work **Innovation and Impact of Sex as**

Endsj examines the myriad and complex religious attitudes towards sex in cultures throughout the world. Endsj reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality. Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex, how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society. As Endsj explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church. Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage. Sex and Religion reveals there is nothing natural or self-evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality. Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it. Sex and Religion is a fascinating investigation of mores, meanings, rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience.
