Sex and the Intelligent Women Manfred F. Demartino, 2014-09-01 **Sex and the Intelligent Woman** Manfred F. DeMartino, 1974 **Sex and the Intelligent Woman [By] Manfred F. Demartino. Epilogue by Albert Ellis** Manfred F. DeMartino, 1974 Are We Having Fun Yet? Marcia Douglass, Lisa Douglass, 1997-07-17 Offers female readers advice on enhancing their sex lives addressing such subjects as how to enjoy the physical pleasures of sex and how women's bodies respond best to sexual stimulation **Sex Diaries** Bettina Arndt, 2009-03-01 In *The Sex Diaries* Australia's best known sex therapist Bettina Arndt uncovers the night time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep the staying up late in the hope that he will doze off It is one of the great inconvenient truths of relationships that after the first blissful years together most men want more sex than their female partners Bettina Arndt recruited ninety eight couples to keep diaries revealing their intimate negotiations over sex Who feels like having sex Who doesn't And how do couples cope if one person wants it more than the other She draws on her thirty five years of professional experience to provide a provocative analysis that challenges our basic assumptions about sex With her characteristic humour and insight Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships The African-American Woman's Guide to Great Sex, Happiness & Martial Bliss Jel D. Lewis Jones, 2003 The author gives great relationship tips and advice in the more than 30 informative chapters such as Enhance Your Sex Appeal Communicating In Lovemaking Thirteen Secrets To Sizzling Passion and 72 Ways to Love Your Lover Sex Problems in Women Anthony John Copper Magian, 1922 *Studies in the Psychology of Sex, Volume 2* Havelock Ellis, 2021-11-16 *Studies in the Psychology of Sex Volume 2* Havelock Ellis It has been remarked by Professor Wilhelm Ostwald that the problem of homosexuality is a problem left over to us by the Middle Ages which for five hundred years dealt with invertes as it dealt with heretics and witches To regard the matter thus is to emphasize its social and humanitarian interest rather than its biological and psychological significance It is no doubt this human interest of the question of inversion rather than its scientific importance great as the latter is which is mainly responsible for the remarkable activity with which the study of homosexuality has been carried on during recent years The result has been that during the fourteen years that have passed since the last edition of this Study was issued so vast an amount of work has been carried on in this field that the preparation of a new edition of the book has been a long and serious task Nearly every page has been rewritten or enlarged and the Index of Authors consulted has more than doubled in length The original portions of the book have been still more changed sixteen new Histories have been added selected from others in my possession as being varied typical and full These extensive additions to the volume have rendered necessary various omissions Many of the shorter and less instructive Histories contained in earlier editions have been omitted as well as three Appendices which no longer seem of sufficient interest to retain In order to avoid undue increase in the size of this volume already much larger than in the previous editions a new Study of Eonism or sexo esthetic

inversion will be inserted in vol v where it will perhaps be at least as much in place as here **The Lady's Magazine Or Entertaining Companion for the Fair Sex** ,1787 **Studies in the Psychology of Sex v2** Havelock Ellis,2015-11-07

Sexual inversion as here understood means sexual instinct turned by inborn constitutional abnormality toward persons of the same sex It is thus a narrower term than homosexuality which includes all sexual attractions between persons of the same sex even when seemingly due to the accidental absence of the natural objects of sexual attraction a phenomenon of wide occurrence among all human races and among most of the higher animals It is only during recent years that sexual inversion has been recognized previously it was not distinguished from homosexuality in general and homosexuality was regarded as a national custom as an individual vice or as an unimportant episode in grave forms of insanity 1 We have further to distinguish sexual inversion and all other forms of homosexuality from another kind of inversion which usually remains so far as the sexual impulse itself is concerned heterosexual that is to say normal Inversion of this kind leads a person to feel like a person of the opposite sex and to adopt so far as possible the tastes habits and dress of the opposite sex while the direction of the sexual impulse remains normal This condition I term *sexo esthetic inversion* or *Eonism* The nomenclature of the highly important form of sexual perversion with which we are here concerned is extremely varied and most investigators have been much puzzled in coming to a conclusion as to the best most exact and at the same time most colorless names to apply to it The first in the field in modern times was Ulrichs who as early as 1862 used the appellation *Uranian Uranier* based on the well known myth in Plato's Banquet Later he Germanized this term into *Urning* for the male and *Urningin* for the female and referred to the condition itself as *Urningtum* He also invented a number of other related terms on the same basis some of these terms have had a considerable vogue but they are too fanciful and high strung to secure general acceptance If used in other languages than German they certainly should not be used in their Germanized shape and it is scarcely legitimate to use the term *Urning* in English *Uranian* is more correct **Studies in the Psychology of Sex** Havelock Ellis,2018-09-21
