**Sexuality and the Sacred** James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

**Sacred Sexuality** Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world s religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture s recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs

*Sacred Sex* Tim Alan Gardner, 2009-01-16 For years Christians have been told that sex is God s creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple s sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness **Sacred Sex** shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined
