Canadian Books in Print ,1975

**The Cambridge World History of Sexualities:**

**Volume 4, Modern Sexualities** Merry E. Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume IV examines the intersections of modernity and human sexuality through the forces, ideas and events that have shaped the modern world. Through eighteen chapters, this volume examines connections between sexuality and the defining forces of modern global history, including capitalism, colonialism, migration, consumerism, and war. Sexuality in modern literature and print media, sexuality in dictatorships and democracies, and cultural changes such as sex education and the sexual revolution. The volume ends with discussions of the difficult issues we in the modern world continue to face, such as restrictions on reproductive rights, sex tourism, STDs, and AIDS, sex trafficking, domestic violence, and illiberal attacks on sexuality.

**Thinking Sex with the Early Moderns** Valerie Traub, 2016 What do we know about early modern sex and how do we know it? How, when, and why does sex become history? In *Thinking Sex with the Early Moderns*, Valerie Traub addresses these questions and, in doing so, reorients the ways in which historians and literary critics, feminists and queer theorists approach sexuality and its history. Her answers offer interdisciplinary strategies for confronting the difficulties of making sexual knowledge. Based on the premise that producing sexual knowledge is difficult because sex itself is often inscrutable, *Thinking Sex with the Early Moderns* leverages the notions of opacity and impasse to explore barriers to knowledge about sex in the past. Traub argues that the obstacles in making sexual history can illuminate the difficulty of knowing sexuality. She also argues that these impediments themselves can be adopted as a guiding principle of historiography: sex may be good to think with not because it permits us access but because it doesn't.

**Sex Carnival (Large Print 16pt)** Bill Brownstein, 2012-08-01 A tongue-in-cheek odyssey through the sex capitals of the world. The applause is near deafening as crowd favourite Tristan Taormino makes her way to the podium to pick up her award. Oh my God. This is so wonderful she gushes all the while trying to hold back tears. But man, you gave me a chance when no one else would, and the next thing I knew I was the subject of a gang bang, and now this I just want to thank Mom and Dad. Welcome to the world of Sex Carnival, a whimsical eye-opening record of one man's travels into the bold new world of porn. Bill Brownstein provides a guide for the uninitiated and the bewildered, a hands-on intro for anyone who wonders why the porno biz has become so mainstream in just the last few years. Brownstein's global travels take him from watching Tristan and other sex superstars accept their trophies at the annual porn awards ceremony in Las Vegas to witnessing the weekend shopping sprees of Dutch families as the kids push their grocery carts through the biggest sex supermarkets on earth. He takes us from dungeons and dragons pleasure chambers in New York to a different kind of pleasure, the rough trade in Hamburg. And along the way he stops off to catch some lap dancing in Montreal and all kinds of unexpected action at the sex bars of Paris. Sex Carnival is no definitive history of porn. Instead, this book is fun. Brownstein gives us a lively account of our

obsession with the business of sex an odyssey of one man's encounters with a universe of titillation that is fresh original naughty and very bizarre      **Around the World in 80 Lays** Joe Diamond,2009-05-05 In this book that explores the emergence of the online sex tourist subculture and its mounting impact on the world's flesh trade Diamond traverses the globe to put sex tourism under the microscope      Summary of David Sedaris's A Carnival of Snackery Milkyway Media,2024-01-17 Get the Summary of David Sedaris's A Carnival of Snackery in 20 minutes Please note This is a summary not the original book A Carnival of Snackery by David Sedaris is a compilation of diary entries that provide a window into the author's life filled with humor cultural observations and personal reflections Sedaris recounts dining with friends in London witnessing a racial exchange on a bus and experiencing anti war sentiments in Paris He humorously observes airport security measures and reflects on his sister Tiffany's financial struggles      Cineaction! ,1985 A magazine of radical film criticism theory      Marketing for Tourism, Hospitality & Events Simon Hudson,Louise Hudson,2017-05-27 Framed within basic marketing principles Marketing for Tourism Hospitality Events highlights the global shift in tourism demographics today placing a particular emphasis on the role of digital technology and its impact on travel products and services Covering developments across a broad range of topics such as contemporary tourism marketing understanding today's consumer and the importance of public relations and personal selling key industry changes are captured throughout the text Lessons from a Marketing Guru feature personal insights from real world practitioners and Digital Spotlights highlight the ways in which social media and the Internet have transformed tourism hospitality and events the world over These features are further enhanced by Marketing in Action case studies in each chapter that highlight the international realities of tourism hospitality and events marketing in practice These include Spiritual Tourism in Tamil Nadu India Social media listening at Marriott's headquarters in Hong Kong The Deer Hunt Festival in Winneba Ghana Music themed hotels in Prague Amsterdam Berlin and Mexico The promotion of Hawaii through film and television Dark Tourism in Vietnam The book is complemented by a companion website featuring a range of tools and resources for lecturers and students including PowerPoint slides an instructor manual a test bank of multiple choice questions and author curated video links to make the examples in each chapter come to life Ideal for undergraduate and postgraduate students looking for an introductory text to marketing for tourism hospitality and events      Animal Husbandry: Bestiality in Medieval Culture ,2025-08-28 How was bestiality perceived in the Middle Ages The answer is far from simple Depending on the context it might be a kingmaking ritual a boy's game a pact with the devil a peccadillo or a capital offense As dangerous as it could be to be suspected by one's own neighbors of committing bestiality medieval literature and art are full of often exhilarating erotic interspecies encounters In the end this volume suggests that there is a zoophilic streak in all humans the medievals as well as ourselves Contributors are Crystal Beamer Bailey Flannery Katherine Leach Marian E Polhill Anna Russakoff Joyce E Salisbury Andrea Schutz Jacqueline A Stuhmiller Larissa Tracy and Tess Wingard      **The Life of the Party** Christopher Ames,2010-08-01 Critics

have long recognized the links between community festivals and literary art The comedies and tragedies of the ancient Greeks grew out of their festivals Anglo Saxon poetry was often read at festival occasions and the structural patterns of renaissance drama are inseparable from their festive origins In *The Life of the Party* Christopher Ames argues that the private party has become the festival of modern culture and has served as a shaping force in the fiction of many important twentieth century writers Drawing upon and extending theories of Mikhail Bakhtin and others Ames contends that parties have inherited much of the spirit and social function of festivals and carnivals In these controlled transgressions ordinary rules of behavior are set aside for a short time permitting excess and including usually in veiled form a ritual encounter with death as well as a cathartic return to the normal social order when the party ends In the experimental fiction of James Joyce and Virginia Woolf the mingling of many voices at the party challenges both social and narrative decorum For F Scott Fitzgerald Evelyn Waugh and Henry Green the party becomes a microcosm of a decadent society and informs a festive vision characteristic of the literature that emerged between the wars And in postmodern works by Thomas Pynchon and Robert Coover the novelists celebrate the disruptive and liberating force of parties even as they illustrate the dangers of chaos through scenes of the party gone wild With its creative application of literary theory and ethnographic studies of festival *The Life of the Party* demonstrates the persistence of the festive vision and its significance in the evolution of modern fiction

**Art Journal** ,1960     *The Shape of Sociology for the 21st Century* Devorah Kalekin-Fishman,Ann Denis,2012-04-20 This is an important and thought provoking collection of contemporary articles on the current crisis in social theory Professor Roger Penn Lancaster University With a comprehensive vision great sociologists from around the world address the challenges of the new century Professor Michael Burawoy University of California Berkeley Over the past century the field of sociology has experienced extraordinary expansion and vitality But is this growth positive or negative a promise of diversity or a threat of fragmentation This critical volume explores the meaning of sociology and sociological knowledge in light of the recent growth and institutionalization of the discipline A stellar group of international authors powerfully identify question and transform key assumptions in sociology Leading us through the challenges faced by sociology and the possible strategies for addressing them in the future the book includes key issues such as globalization development social policy inequality An important companion for advanced undergraduates postgraduates and researchers engaged with contemporary sociological theory sociology of knowledge and sociological analysis     *Giving Ground* Joan Copjec,Michael Sorkin,1999-06-17 This volume seeks to address a number of broad questions including what is the role and limit of urban space in the expression of group and individual rights and desires do democratic social relations require spatial propinquity and what are the characteristics of     **Creative Camera** ,1997     *The Tabloid Culture Reader* Biressi, Anita,Nunn, Heather,2007-12-01 The Tabloid Culture Reader provides an accessible and useful introduction to the field     **Extreme Cinema** Aaron Kerner,2016-06-14 Extreme Cinema examines the highly stylized treatment of sex and violence in post millennial

transnational cinema where the governing convention is not the narrative but the spectacle Using profound experiments in form and composition including jarring editing extreme close ups visual disorientation and sounds that straddle the boundary between non diegetic and diegetic registers this mode of cinema dwells instead on the exhibition of intense violence and an acute intimacy with the sexual body Interrogating works such as Wetlands and A Serbian Film as well as the sub culture of YouTube reaction videos Aaron Michael Kerner and Jonathan L Knapp demonstrate the way content and form combine in extreme cinema to affectively manipulate the viewing body

**Postmodernism and Its Discontents** E. Ann Kaplan,1988
