we will discover the deep joy and lasting fulfillment that comes from a God centered marriage *What the Bible Says about Love Marriage & Sex* David Jeremiah, 2025-05-01 With roughly a third of all marriages ending in divorce there's never been a better time for this refresher course in the true meaning of a successful union As New York Times bestselling author Dr David Jeremiah reminds us it's a biblical truth Sex and passionate romantic love are God's ideas Nothing rivals the beauty of the writing in the Song of Solomon and nothing rivals the wisdom of Solomon on matters of love romance marriage and sexual intimacy Dr Jeremiah's thoughtful interpretation of Solomon and Shulamith's relationship provides all of us whether married or single with valuable lessons for a better happier more fulfilling life and a long loving marriage **Real Marriage** Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In Real Marriage Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable Real Marriage is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you're married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk Whether engaged newlywed or veteran Real Marriage will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of The Grace of God and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR

JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word *Awesome Sex* Kim Kimberling, 2016-10-25 This is a great book to read with your spouse because the sexual relationship in a Christian marriage is truly a gift from God to be cherished and enjoyed Whether your sexual relationship is great average or struggling I think you will find this book to be a great resource in taking your marriage to a new level when it comes to intimacy **Marriage, Sex, and Procreation** Steven Schafer, 2019-09-09 The contemporary church's debate on the inclusion of same sex individuals and their relationships has devolved into diametrically opposed positions Rather than resolving the argument the conversation between the two sides reflects the impasse that is taking place in denominations across the West It is clear that the dispute cannot be resolved while couched in these terms In this timely work Steven Schafer invites the reader to move beyond the terms of the current debate toward the underlying doctrinal concerns so often glossed over by that discussion This book is a work of hermeneutics that engages the contemporary discussion on the legitimacy of same sex relationships with the grand theological narrative handed down by the church By placing four contemporary revisionists in dialogue with the work of Augustine the book provides language and theological avenues to reframe the debate and contributes to the church's ongoing discernment Hot, Holy, and Humorous J. Parker, 2016-06 Do you want to be a hottie in the bedroom without sacrificing holiness How can you make the most of God's gift of sexual intimacy in marriage Wrongful thinking and behaviors regarding sex permeate our culture Christians need to reclaim sexuality and enjoy it in the way God intended God does not shy away from the subject of sex The Bible shows a better way in every area including the marital bedroom In *Hot Holy and Humorous* author J Parker gives candid advice for wives from a foundation of faith with a splash of humor This book can boost your sex savvy and improve your marital intimacy And guess what With God's perfect design you and your spouse can enjoy the most amazing sex **Sacred Sex** Tim Alan Gardner, 2002-05-21 For years Christians have been told that sex is God's creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple's sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness *Sacred Sex* shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined
