Sex Lies And The Truth:

Sex, Lies, and the Truth Linda L. Belleville, 2010-09-23 We are in the midst of a rapidly changing sexual scene. Casual sex between consenting adults scarcely gets a second look. Marriage is increasingly viewed as an at-will contract. Attitudes toward same-sex relationships have done an about-face, and the family has been redefined in ways that challenge how we effectively minister to those inside and the church. If we as believers value our call to be the salt and light of society, then we must begin to think biblically and strategically about how to engage our sexually volatile culture. *Sex, Lies, and the Truth* aims to help Christians in all walks of life do just that. It addresses the question of how to develop a Christian ethic in an increasingly post-Christian society by becoming biblically informed and culturally conversant with a topic that promises to be one of the foremost challenges the church will face in the coming years. *Sex, Lies & ...The Truth* Focus on the Family Films, 1993 *Sex, Lies, and the Truth*, 1993 *Sex, Lies, and the Truth about Uterine Fibroids* Carla Dionne, 2001-04-23 The most authoritative book available on uterine fibroids that covers traditional surgical and alternative therapies and provides key information necessary to determine the best choices. **Sex, Lies & the Truth** Paul H. Murphy, 1993 An entertaining and powerful 30-minute video revealing the hard truths about sex in the 90s. **Sex, Lies & Dreams** David G. Bickler, 2018-03-27 *Sex, Lies, Dreams* By David G. Bickler. *Sex, Lies, Dreams* opens up the truth about our mixed-species planet and was prompted by our current world of chaos. It is author David G. Bickler's personal birth mission to unite our world in oneness and openness. This book is a new path to a better world: realism as a function and the truth as the path. David believes in a world at peace. His goal is to unite our nations. His life is built on loving, caring, and sharing. His idea of a government is based on truth, fact, and environment. Transparency is key in our world today. **Sex, Lies, and Alibis** L. Dwain Boswell, 2012-07-18 *Family Matters* Hilde Løvdal Stephens, 2019-10-15 The first full-length study of a pivotal figure in American evangelical faith: James Dobson, child psychologist, author, radio personality, and founder of the Christian conservative organization Focus on the Family. Published his first book, *Dare to Discipline*, in 1970 and quickly became the go-to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force. The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party. Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights, feminism, abortion, and the secularization of public schools. Dobson and Focus on the Family dominated Christian media through print, radio, and online venues, and their message reached millions of American evangelical households, shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s. *Family Matters* James Dobson and Focus on the Family's *Crusade for the Christian Home* by Hilde Løvdal Stephens is an insightful history and analysis of James Dobson's rise to fame, effect on American evangelical culture, and subsequent descent from relevance.

Extensively researched L vdal Stephens scoured through Dobson s books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson s reign L vdal Stephens s discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson s celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family
