Sex in China Fang Fu Ruan, 2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such

an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China *RealTalk: About the Culture of Sex and Pleasure. Glicksberg,2012-12-06 1 The Dialectic of the Sex Motif in Literature Sex is a function of culture in literature today it plays only a small though aggressively righteous part Nature long held in bondage periodically breaks out in revolt but its victory is never complete In every society primitive as well as modern the sexual instinct is for good or evil always subject to some measure of regulation and restraint In literature where the battle between love and sex spirit and flesh is fought out in terms of symbolic action the writers support their cause for or against sexual freedom with varying degrees of evangelical ardor and outspokenness On this issue there is no unanimity for the simple reason that American culture is not unified in its beliefs concerning the nature of man The central conflict between instinctual needs and the claims of the ideal between physical desire and the inner check between Dionysus and Christ goes on all the time Sublimation is the cultural process whereby sexual energy is deflected from its biological source and diverted into spiritually higher and socially more useful channels But sublimation is for most men hard to achieve As civilization grows more complex the individual is exposed to a series of increasingly severe moral strains Pitted against Nature while subject to its laws he must henceforth be governed in his behavior by inner as well as outer controls **Book** ,2013-01-01 Scrapbook containing letters souvenir programmes and various news cuttings Crime Fiction in the Age of #MeToo Charlotte Beyer,2024-11-12 Informed by fourth wave feminism Crime Fiction in the Age of MeToo presents a compelling and timely reading of crime fiction in the age of MeToo The book explores five major fourth wave feminist topics MeToo rape culture toxic masculinity LBGTQ perspectives and transgender These topics have been the subject of intense feminist scrutiny and campaigning and the book demonstrates how this attention is reflected in contemporary crime fiction and its generic and thematic preoccupations The book opens with a chapter presenting an overview of existing critical perspectives and feminist debates demonstrating how fourth wave feminist ideas and debates are inspiring innovations in the genre as well as generating fresh ways of reading past and present crime fictions Providing an overview and context for both fourth wave feminism and the MeToo movement the chapter establishes the critical and cultural framework for its analysis The chapter also outlines the book's methodology and approach detailing the contents of the chapters Each of the five subsequent chapters uses critical

vocabulary and concepts from feminism and the MeToo movement to reassess canonical works and present new readings of contemporary crime fiction producing compelling analyses of gender and genre Canonical authors whose works are discussed include Agatha Christie Raymond Chandler Josephine Tey Maj Sj wall and Per Wahl and Val McDermid Examining selected contemporary novels and short stories the chapters in Crime Fiction in the Age of MeToo provide fresh readings of both well known and lesser known crime authors The contemporary authors whose work is examined are Lauren Henderson Susan White Jennifer Haigh Allison Leotta Y A Erskine Heather Fitt John Harvey Dorothy Koomson Pekka Hiltunen Nekesa Afia Michael Nava Stella Duffy Alex Reeve V T Davy and Dharma Kelleher Through its critical examination of crime fiction Crime Fiction in the Age of MeToo offers a powerful feminist analysis of the genre which draws links between literature and ongoing urgent social and cultural debates such as the Metoo movement and fourth wave feminism Sexual Dysfunction: A New Era, An Issue of Urologic Clinics, E-Book Alan W Shindel, Tom F.
