Danto,2005 Few philosophers are as widely read or as widely misunderstood as Friedrich Nietzsche When Danto s classic study was first published in 1965 many regarded Nietzsche as a brilliant but somewhat erratic thinker Danto however presented a radically different picture arguing that Nietzsche offered a systematic and coherent philosophy that anticipated many of the questions that define contemporary philosophy Danto s clear and insightful commentaries helped canonize Nietzsche as a philosopher and continue to illuminate subtleties in Nietzsche s work as well as his immense contributions to the philosophies of science language and logic This new edition which includes five additional essays not only further enhances our understanding of Nietzsche s philosophy it responds to the misunderstandings that continue to muddy his intellectual reputation Even today Nietzsche is seen as everything from a precursor of feminism and deconstruction to a prophetic writer and spokesperson for disgruntled teenage boys As Danto

points out in his preface Nietzsche's writings have purportedly inspired recent acts of violence and school shootings Danto counters these misreadings by elaborating an anti Nietzschean philosophy from within Nietzsche's own philosophy in the hope of disarming the rabid Nietzsche and neutralizing the vivid frightening images that have inspired sociopaths for over a century The essays also consider specific works by Nietzsche including *Human All Too Human* and *The Genealogy of Morals* as well as the philosopher's artistic metaphysics and semantical nihilism **Sexology** Fernando Bianco, Rubén Hernández Serrano, 1990 **Healthy Happy Sexy** Katie Silcox, 2015-01-13 In this hip sensual Ayurveda bible for the modern woman holistic health and wellness expert and New York Times bestselling author Katie Silcox offers a spirit infused yet pragmatic guide that seamlessly brings this ancient wisdom into our modern lives without sacrificing the occasional rendezvous with red wine fashion magazines and other sensual pleasures *Healthy Happy Sexy* offers not only a philosophy of life but a time tested we're talking thousands of years method for living your most radiant healthy and sexually vital life possible Covering everything from how to get the perfect poo to glowing skin to deeper sexual fulfillment here is a complete guide to women's health Through evocative questions journaling exercises simple but deep meditations and natural recipes for common health and beauty needs Katie gives you a method to heal entertain inspire and remind you that you are one sexy mama
