*Redeemed Sexuality* Tim Konzen, Dr. Jennifer Konzen, 2019-03-12 You are a sexual person Whether you are single or married a teenager or an older single adult God created you as a sexual person So how do we inhabit our sexuality in a way that brings honor to God And what exactly is sexuality Is it just sexual intercourse Or is it perhaps something much greater God created them male and female From the moment of our conception we are born in this act of creation as a sexual being God's creation was the work of a master artist It is vital that we discover both the artwork and the artist God intended for sex to be a wonderful good When someone allows God to guide them in how they engage in sex it can be However sometimes sexuality has become a source of shame guilt pain confusion frustration and sorrow Sexual challenges can come from the choices we make from the things that others do against us and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex Those challenges can also come from the lack of being able to talk openly about sex Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid biblical answers to some of the very real questions you have You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same old trite and empty arguments about purity Just wait or Just repent or God has a plan Be patient So how do we reconcile God's intricate and amazing plan for sex with the devastation destruction and frustration that sex outside of His plan can cause How can we pursue purity and honor sexuality at the same time What exactly is God's plan for sexuality for those who are not married Redeeming Sexuality answers many of these and other questions that singles teens and parents ask the authors in their conferences and sessions including What is God's plan for sex How should single working professionals college students teens and all other unmarried individuals understand their sexuality in light of God's plan What is allowed and how far is too far How can we have healthy intimate connections with others What is purity and how do we deal with temptation when it is so hard to escape How do we work through the damage and pain that is already done How can parents effectively communicate with their kids about sex This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality

*Redeemed Sexuality* Andrew A. Boa, 2017-12-12 Sexual brokenness permeates our culture and is often a source of fear shame or secret sin for emerging adults within the church But as we experience love joy and intimacy with God and others sexual shame and sin lose their power Incorporating peer to peer leadership this small group curriculum invites us to seek sexual maturity and discipleship in the context of community

**Redeeming Sex** Debra Hirsch, 2015-04-06 Nothing has exposed the gap between the church and the broader society quite like the volatile topics of sexuality relationships identities orientations and even gender With a pastor's heart and a missiologist's mind Debra Hirsch helps us discover a holistic biblical vision of sex and gender that honors God and offers good news to the world

**Sanctified Sex** Noam Sachs Zion, 2021-08 Sanctified

Sex draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success

Love & Sex Nancy Houston, 2018-02-05 So many couples struggle in their sexual lives because they divide sex and love Nancy Houston has written an excellent practical and very hopeful book on how to reintegrate the division Dr John Townsend New York Times bestselling author of *Boundaries* Without question one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston Amy Ford president of Embrace Grace and author of *A Bump in Life* Sex is powerful Just saying the word sex can stir up all kinds of emotions Maybe it's a positive emotion for you or possibly a hurtful shameful confusing one It's no wonder we struggle to understand its meaning and purpose It can be difficult to talk about and if we have experienced unwanted shame or grew up in a home where sex was taboo addressing the topic can be even more difficult In a world of sexual chaos and confusion we all need a healthy dialogue on the topic not a black or white right or wrong lecture but a safe forum for discovering learning processing and growing into passionate intimacy within the freedom God provides In *Love Sex* Nancy Houston provides a compassionate view of human sexuality Through the lens of Scripture she unpacks the good God intended when He created humans as sexual creatures while recognizing that many people haven't experienced sex in a positive way You won't find a critical examination of dos and don'ts but stories of redemption grace and hope You will understand how you were shaped and that you are more than your sexual behaviors For some people sex is a regular part of life For others it's a huge deal Maybe even too big of a deal This book will be your roadmap to finding sexual health happiness and balance And if you are one of the few unscathed by sexual shame or confusion this book will help you develop a more compassionate lens for those who do struggle

Family Redeemed Joseph Dov Soloveitchik, 2000 Focus on family relationships between husbands and wives parents and children The essays develop a Jewish theory of marriage and sexuality parenthood and the duty to honor and revere one's parents

What Wives Wish their Husbands Knew about Sex Richard Rupp, Ryan Howes, Stephen Ph. D. Simpson, 2007-04-01 It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges As a result many Christian men single and married are frustrated with their love lives and their sex lives The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it They help men learn what the Bible says about a healthy sex life discover how to relate to women as men instead of as boys address psychological and spiritual issues that interfere with healthy sexuality learn specific techniques that create a strong relationship great foreplay and passionate sex Solidly based in Scripture and informed by the experiences of the authors all respected sex therapists What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be Perfect for any man it is also a great book for counselors and pastors who work with men *Guide for the Christian Perplexed* Thomas P. Power, 2012-01-13 Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice They are perplexed partly because they recognize that the issues themselves are thorny and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity If they dare to acknowledge their theological perplexities at all they are too often told that these perplexities are unimportant or that they can be answered very simply or that they should be left to the experts Guide for the Christian Perplexed written by members of the faculty of Wycliffe College Toronto aims to explore a diversity of issues and questions to do with o our knowledge of Jesus o the meaning of suffering o the function of doctrine o the understanding of Scripture o the place of other religions o the challenge of atheism o the pleasures and complications of sexuality o the nature of worship o the way to evangelize o understanding who our neighbor is locally and globally o diversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues A study guide is included for individual and group use **Redeeming Gender** Adrian Thatcher, 2016-06-27 Redeeming Gender argues that the problems about sexuality which continue to sap the churches energies are really about gender The dominant understanding of women's bodies in the Christian West has been that they are inferior versions of the superior

male body This one sex model of the human body was replaced during the Enlightenment with a model of two opposite sexes However both models are inadequate for a theological or a secular understanding of the sexed body In this innovative work Adrian Thatcher envisages relations between women and men no longer blighted by long term patriarchy androcentrism and sexism in church and world but redeemed from these structural sins by the grace of Jesus Christ Dissected into two parts Part One explains the legacy of both the one sex and two sex theories It uncovers the one sex theory and its assumptions and indicates its presence in early Christian thought It then describes what happened in our social intellectual and theological history which leaves us thinking that there are two sexes In Part Two Thatcher contributes to an emerging theology of gender in which women and men are fully and equally valued and in which sexual difference insofar as it exists at all is capable of transformation into joyful communion reflecting the very life of God the Holy Trinity He exposes the reliance of much Church and theological teaching about sex and gender either on biblical proof texts or upon the language and nomenclature of late modernity rather than upon considerations of Theology and Christology Thatcher also indicates how Theology and Christology in the area of gender envisions the redemption of human relationships *Religion and Canadian Society* Lori G. Beaman, 2012 This text offers an outstanding selection of readings that represent an overview of the key issues in the sociology of religion from a uniquely Canadian perspective Masterfully planned and united by clearly articulated themes the second edition moves through three thematic cornerstones contexts identities and strategies Recurring sub themes include the definition of religion the secularization debate the challenge of diversity and the gendered aspects of religious experience Key additions to this edition include a discussion on cultural diversity an exploration of religion and sexuality and a thorough historical overview of religion in Canada **The Lover's World** Alice B. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ's incarnation and resurrection as affirming the beauty of flesh

eschatology and sexual identity the ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics *Reclaiming Sexual Wholeness* Todd Bowman, 2022-10-11 A Comprehensive Christian Resource for Treating Sexual Addiction and Problematic Sexual Behavior An estimated three to five percent of the U.S. population meet the criteria for sexual addiction and many more engage in problematic sexual behavior or have been harmed by it The statistics are startling 77% of Christian men between 18 and 30 watch pornography monthly 35% of Christian men have had an extramarital affair 1 in 6 boys and 1 in 4 girls have been sexually abused Americans spend 13 billion a year on pornography the regular viewing of which is linked to higher acceptance of violence against women and adversarial sexual beliefs Therapists and pastors are not always adequately equipped to address the unique demands of competent care for those struggling with sexually addictive behaviors *Reclaiming Sexual Wholeness* edited by Todd Bowman presents cutting edge research from a diverse group of experts in a single comprehensive resource intended for therapists clergy and others in helping professions Contributors include Forest Benedict Bill Bercaw Ginger Bercaw Todd Bowman Marnie Ferree Floyd Godfrey Joshua Grubbs Josh Hook Fr Sean Kilcawley Debbie Laaser Mark Laaser Kevin Skinner Bill Struthers and Curt Thompson *Reclaiming Sexual Wholeness* moves beyond rote cognitive behavioral approaches and treating sexual addictions solely as lust adopting a biopsychosocial perspective that incorporates insights from attachment theory and interpersonal neurobiology The result is a thoroughly faith integrated up to date resource useful for the classroom ongoing professional studies and as a counseling resource **Women and Redemption** Rosemary Radford Ruether, 2011-09 Rosemary Radford Ruether's authoritative award winning critique of women's unequal standing in the church which explored the complex history of redemption in evaluating conflict over the fundamental meaning of the Christian gospel for gender relations is now in an updated and expanded edition Ruether highlights women theologians work to challenge the patriarchal paradigm of historical theology and to present redemption linked to the liberation of women Ruether turns her attention to the situation of women globally and how the growing plurality of women's voices from multicultural and multireligious contexts articulates feminist liberation theology today Publisher description [Sex in a Broken World](#) Paul David Tripp, 2018-01-16 We live in a deeply broken world but there is hope Sexuality is a fundamental part of what it means to be human part of God's beautiful design when he created all things And yet sex in our world today looks nothing like the way that God intended it to be Sexual brokenness surrounds us and in one way or another affects us all This sexual brokenness reveals our deep need for redemption something quick fixes mere behavior modification or a set of rules can't provide Honest and direct yet kind and caring this book points us to the only place we can find help for sexual brokenness the transforming grace of Jesus Christ Only this grace offers hope for a life of freedom purity and joy as God intended **Preventing AIDS** Ralph J. DiClemente, John L. Peterson, 2013-06-29 Public health has a legacy of neglect regarding social and behavioral research Too often prompted by technical and scientific progress we have ignored even marginalized the vital human

element in health thinking and practice Thus for example while family planning programs focused on providing a choice among safe and effective contraceptive methods a supremely worthy goal the central issue of sexuality and sexual behavior was generally neglected Similarly the enormous and important efforts to develop rapid and reliable diagnostic and treatment methods for sexually transmitted diseases helped divert attention away from the crucial issues of sexual practice In short we seem to have difficulty addressing the fundamental behaviors including sex drug taking and other intoxications and violence that are central to the major causes of preventable morbidity disability and premature mortality in the world today Our collective reluctance to examine and understand ourselves is also expressed in the oft repeated pipedream that scientific progress will take care of the HIV AIDS pandemic by delivering a preventive vaccine an effective cure or both Yet even a cursory glance at the relationship between scientific technical progress and health shows that meeting the scientific challenges is only one step toward effective application of the vaccine or drug It is typical not atypical that hepatitis B vaccine is only now becoming relatively freely available to large populations in the developing world more than a decade after the vaccine's licensure

**Innocent Ecstasy, Updated Edition** Peter Gardella, 2016-09-08 Though they disagree on virtually everything else evangelicals and gays Catholics and agnostics all agree that sex should be innocent and ecstatic For most of Western history people have not had such expectations *Innocent Ecstasy* shows how Christianity led Americans to hope for so much from sex The book explains how the sexual revolution could have occurred in a nation so deeply imbued with Christian ethical values Tracing our strange journey from the hands of Jonathan Edwards' angry Puritan God to the loving embrace of Marabel Morgan's *Total Woman* Gardella draws his surprising evidence from widely disparate sources ranging from Catholic confessionals to Methodist revival meetings from evangelical romances to *The Song of Bernadette* He reveals the sexual messages of mainstream Protestant theology and the religious aspirations of medical texts found at the Kinsey Institute for Sex Research He sheds new light on such well known figures as Henry Adams Margaret Sanger Aimee Semple McPherson and Harriet Beecher Stowe and introduces us to such fascinating lesser known characters as Dr John Harvey Kellogg and Sylvester Graham inventors of corn flakes and Graham crackers who devised their products as anti aphrodisiacs While detailing the development of moral obligations to pursue sexual pleasure and to follow certain patterns of sexual practice Gardella incidentally provides one of the few books to bring together the liberal Protestant Roman Catholic and evangelical perspectives on any aspect of American culture Gardella attributes the American ethic of sexual pleasure to the eagerness of Americans to overcome original sin This led to a quest for perfection or complete freedom from guilt combined with a quest for ecstatic experience The result he maintains is an attitude that looks to sex for what was once expected from religion In this new edition a new conclusion explores how popular music gay liberation and recovery from sexual abuse have substantially expanded innocent ecstasy during the past thirty years while continuing the Christian themes of redemption and mission A new afterword deals with contemporary developments in popular culture and offers thoughts

about the future      **Under the Bed of Heaven** Richard W. McCarty, 2021-12-01 Under the Bed of Heaven is a work of Christian ethics that examines how eschatology might reshape concepts of sexual morality. With the rise of institutional Christianity in the Roman Empire, Christian attitudes about sexual desire and activity were soon controlled by doctrines of virginity and celibacy or monogamous marriage for the sake of procreation. These moral theologies aligned with a certain track of Christian eschatology which imagined the future resurrection of the body but without any corresponding sexual desires. As a result, traditional Christianity developed a preference for celibacy on earth to match the loss of sexual desire and activity in heaven, making marriage and monogamy temporal goods only. In recent years, a few scholars of religion have challenged whether this vision of a sexless heaven is valid. However, they have not fully developed a vision of sex in heaven that might function to critique and reform Christian sexual ethics on earth. Richard W. McCarty explores scripture, church teachings, and different models of eschatology to offer a bold new conception of Christian sexual ethics that is inclusive of LGBTQ and heterosexual people both in and outside of monogamous configurations.
