Sex Slavery:

Sex Trafficking Siddharth Kara, 2009 Kara supplements his analysis with a riveting account of this unconscionable industry sharing the moving stories of victims and revealing the shocking conditions of their exploitation He concludes with a proposal for aggressive measures that target the essential business and economic functioning of the sex trafficking industry designed to provide a more effective global approach to abolishing these crimes against the world's most vulnerable and exploited persons Jacket Sexual Enslavement of Girls and Women Worldwide Andrea Parrot, Nina Cummings, 2008-08-30 They are in different countries but share the same hell Maria is one of 14 women lured from Mexico to Seattle Washington with the promise of a job then held by force in a brothel and required to sexually service men 12 hours a day Anna is a young mother from the Ukraine who left her husband and children there to take a job as a housecleaner in Italy where she was put in a barred guarded house and forced into prostitution Nadia is an 11 year old girl in Africa kidnapped and forced to have sex with a militiaman daily with a machete ever ready nearby should she refuse All three women are part of horrific sex slavery that has drawn the attention of officials in countries around the globe It is not rare officials say it is increasing at least partly due to the billions of dollars it brings in for organized crime The U S State Department estimates 800 000 victims mostly women and children are trafficked for sex trade across nations each year and millions more are trafficked within countries including the U S Britain Spain and the Netherlands As a Seattle Times reporter explained when Maria's case hit the news there the reality is that sex slaves for the most part are young women and teenaged girls who come from almost every one of the world's poorer countries and end up in almost every country where there is a combination of sexual demand and money But they are also in undeveloped Africa in prisons internationally locked in forced marriages or sold to men by parents In this book Parrot and Cummings outline the scope and growth of the sex slave market today and explain the history with various elements including economic political cultural and religious that make this trade difficult to fully expose quell combat and shut down We hear from girls and women around the world describing how sexual enslavement has tortured them physically emotionally and spiritually whether they suffer at the hands of prison guards in Turkey criminals in Washington or buyers dealing with parents who sell their daughters for the sex slave trade in Greece Belgium or France The authors also describe national and international efforts and legislation passed or in design to stop sex slavery Successful countries and regions are spotlighted Then Parrot and Cummings point out actions still needed to stop the sex slavery trade **Sex, Power, and Slavery** Gwyn Campbell, Elizabeth Elbourne, 2014-12-10 Sexual exploitation was and is a critical feature of enslavement Across many different societies slaves were considered to own neither their bodies nor their children even if many struggled to resist At the same time paradoxes abound for example in some societies to bear the children of a master was a potential route to manumission for some women Sex Power and Slavery is the first history of slavery and bondage to take sexuality seriously Twenty six authors from diverse scholarly backgrounds look at the vexed traumatic intersections of the histories of

slavery and of sexuality They argue that such intersections mattered profoundly and indeed that slavery cannot be understood without adequate attention to sexuality Sex Power and Slavery brings into conversation historians of the slave trade art historians and scholars of childhood and contemporary sex trafficking The book merges work on the Atlantic world and the Indian Ocean world and enables rich comparisons and parallels between these diverse areas Contributors David Brion Davis Martin Klein Richard Hellie Abdul Sheriff Griet Vankeerberghen E Ann McDougall Matthew S Hopper Marie Rodet George La Rue Ulrike Schmieder Tara Iniss Mariana Candido James Francis Warren Johanna Ransmeier Roseline Uyanga with Marie Luise Ermisch Francesca Ann Louise Mitchell Shigeru Sato Gabeba Baderoon Charmaine Nelson Ana Lucia Araujo Brian Lewis Ronaldo Vainfas Salah Trabelsi Joost Cot Sandra Evers and Subho Basu *Sex, Slavery and the Trafficked Woman* Ramona Vijayarasa, 2016-03-03 Sex Slavery and the Trafficked Woman is a go to text for readers who seek a comprehensive overview of the meaning of human trafficking and current debates and perspectives on the issue It presents a more nuanced understanding of human trafficking and its victims by examining and challenging the conventional assumptions that sit at the heart of mainstream approaches to the topic A pioneering study the arguments made in this book are largely drawn from the author's fieldwork in Ukraine Vietnam and Ghana The author demonstrates to readers how a law enforcement and criminal justice oriented approach to trafficking has developed at the expense of a migration and human rights perspective She highlights the importance of viewing trafficking within a broad spectrum of migratory movement The author contests the coerced female victim archetype as stereotypical and challenges the reader to understand trafficking in an alternative manner introducing the counterintuitive concept of the voluntary victim Overall this text provides readers of migration and development gender studies women's rights and international law a comprehensive and multidisciplinary analysis of the concept of trafficking *Sex, Slavery and the Trafficked Woman* Dr Ramona Vijayarasa, 2015-08-28 Sex Slavery and the Trafficked Woman is a go to text for readers who seek a comprehensive overview of the meaning of human trafficking and current debates and perspectives on the issue It presents a more nuanced understanding of human trafficking and its victims by examining and challenging the conventional assumptions that sit at the heart of mainstream approaches to the topic *Walking Prey* Holly Austin Smith, 2014-03-18 A former sex trafficking victim argues that thousands of children across the United States are at risk of being sold into prostitution and shows how popular culture is fueling this dangerous trend Sex Trafficking Siddharth Kara, 2009 At the end of 2006 there were 28.4 million slaves in the world 12 million of whom were women and children abducted deceived or sold into forced prostitution Kara quantifies the growth and profitability of sex trafficking shares the stories of victims and reveals the shocking conditions of their exploitation

Zwangsprostitution und Menschenhandel Connie Gunderson, Anna Müller, Gesa C. Teichert, 2013 Der vorliegende Band ist zu verstehen als machtvoller Appell für die Würde des Menschen und für ein aktives Vorgehen gegen deren massivstes Verletzen wie es der internationale Menschenhandel darstellt Denn der Respekt vor der Menschenwürde und die

Menschenrechte sind heute durch organisierte Kriminalität gespeist von globaler Armut weltweit bedroht. In der Diskussion über Menschenwürde steckt aber auch die Vision bestehende Mängel zu beseitigen. Insofern wünschen sich die Herausgeberinnen einen breiten Diskurs zum Thema Menschenhandel, Sklaverei und Zwangsprostitution.

Sex Slave in Cinema Aga Skrodzka, 2025-03-31 This book examines the visual politics of the cinematic figure of the sex slave from its origins in silent film to its iterations in blaxploitation cinema, European art cinema, Nollywood and in its most concentrated form the Hollywood blockbuster thriller. Through close analysis of several film texts that is informed by feminist theory, visual studies, critical race studies and the political economy of sex work, this book argues that the sex slave has long functioned as a disciplinary spectacle that simultaneously commodifies and punishes female flesh. The sex slave is used to sell a libidinal fantasy of rescue not of the trafficked woman or child but of the very economic and social order that exploits them.

Female Sexual Slavery Kathleen Barry, 1984-12 Examines the nature and extent of female sexual slavery, exploring the psychological foundations of male dominance and surveys the by-products of a patriarchal society: pimps, procurers, rapists, enforced marriages and polygamous arrangements.

Voices Against Sex Slavery in America Aayushi Shah, Katie Bemb, 2017-04-15 An estimated 45.8 million people are enslaved in the world today. Although many have heard about human trafficking abroad, not many Americans are aware that sex slavery is a threat here in the United States. Our goal is to break the myth that sex trafficking is a foreign issue. It occurs right here in America. **Voices Against Sex Slavery in America** points to different ways we can combat this illicit trade. We collected perspectives from survivors, family members of survivors, abuse counselors, law enforcement, policy makers and scholars in order to effectively portray the scope of sex trafficking and how we can reach a solution. This book gives a very holistic version of what sex trafficking looks like in America and what we can do to end modern slavery. We want to encourage a multi-stakeholder approach to fighting sex slavery where all these stakeholders unite their expertise to help as many survivors as possible.
