Sex and Sacredness Christopher Derrick,1982 **The Sacredness of Sex** Edwin Louis Cole,1988-01-01 An Introduction to Tantra and Sacred Sexuality Michael Mirdad,2011-05-01 Sex still sells But why Because it s a subject that is repressed ignored abused and even un used all by a race of people who are trying to understand their sexuality and how to use this most sacred encounter as a means of deepening intimacy and connection In fact a lack of healthy sexual knowledge and expression may very well be the primary issue behind failed relationships A new book by world renowned spiritual teacher healer and author Michael Mirdad An Introduction to Tantra and Sacred Sexuality reassures readers that despite the rising number of relationship breakups and increase in issues around intimacy there are ways to solve these dilemmas and return sexuality to its rightful place as a means of expressing love A growing number of people are seeking a solution to their intimacy issues and have turned to books and seminars on relationships only to find them lacking a thorough comprehension and or coverage of the topic of intimacy Some counselors and teachers even treat intimacy as a taboo subject as if to fear treading on cursed grounds Nevertheless the public is refusing to be turned away They want to know more about how to capture or re capture intimacy passion and a greater sense of sacredness in their sexual experience This new book which blends several ancient and modern concepts of sacred sexuality covers these topics like no other Even the most respected teachers of Tantra Taoist Sexuality and modern Sex Therapy are praising this book as one of the most profound and important books on the subject Sexuality and the Sacred James B. Nelson,Sandra P. Longfellow,1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully *Sacred Sex* Tony Evans,2012-04-20 Morality Relativity Right and Wrong The issues we face are complicated and everyone has an opinion But who has the answer when it comes to sexual issues Sex dominates our popular culture to a degree we ve never seen before and unrestricted sex is being touted as a shortcut to personal fulfillment and satisfaction but it s a counterfeited and cheapened imitation of the real thing Respected pastor Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd Discover what God says in His word regarding why your sexuality is important and why sexual immorality is devastating Discover how to maintain purity and enjoy true intimacy in marriage the real fulfillment and satisfaction that God intended **Sacred Love and Sexual Fascination Juxtaposed in Eleven Minutes** Raihan,2021-12-27 Raihan MA B Ed English UGC NET English Research Scholar English Dr APJ Abdul Kalam University Indore Hailing from Thalassery Kerala Raihan is an avid traveller numismatist and a passionate cricketer with zest and zeal in English Literature Done Graduation BA Post Graduation MA in English Language Literature from the prestigious Gov t

Sexual Ethics in a Secular Age Eric J. Silverman,2021-03-31 This collection features essays from top experts in ethics and philosophy of love that offer varying perspectives on the value of a contemporary secular virtue of chastity The virtue of chastity has traditionally been portrayed as an excellent personal disposition concerning the ideal ordering of sexual desire such that the person desires that which is actually good for both the self and others affected by his or her sexual desires and actions Yet for roughly the past half century chastity has been increasingly portrayed as an unnecessary ideal with few secular benefits that could not be otherwise obtained Instead chastity is sometimes portrayed as an odd kind of religious asceticism with few secular benefits The essays in this volume ask whether there may be advantages to reconsidering a contemporary virtue of chastity A recovered and reconceptualized concept of chastity can offer partial solutions to problems associated with externalized sexual desire including sweeping patterns of sexual harassment the high divorce relationship failure rate and widespread pornography use Sexual Ethics in a Secular Age will appeal to researchers and advanced students interested in the philosophy of sex and love virtue ethics and philosophical accounts of secularity

Iconoclastic Sex Henry Walter Spaulding, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

Drawing upon data from in-depth interviews of couples in long-term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals, Sacred Marriages explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody. The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts. This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife. The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered
