Logizomai Kyle McDanell, 2010-10-14 Logizomai is the Greek word meaning to reckon or to reason The Apostle John identifies Jesus as the Logos John 1:14 the Divine Word To most Christians in the West today Christianity is nothing more than a duty a feeling a name badge or something one does on Sunday's But Christianity is more than that Christianity is a complete worldview that makes sense of the world A right theology results in a right understanding of the world and the gospel is that right theology The Church is sick because she is shallow What we need is a logizomai faith a reasonable faith Such a reasonable faith encounters hardships with perseverance animosity with love and evangelism with Spirit-filled skill Most refuse to share their faith because they don't understand it and are unable to articulate it If Christianity is logizomai then the issues we face today present no real challenge We must therefore learn to apply the truths of the gospel to our dying hurting world To do so we must have reason rooted in the gospel and inspired by the cross

DeLaMater skillfully navigates numerous police cases, providing the reader with helpful insight to better help her avoid potential pitfalls for herself and loved ones, including potentially harmful relationships. His vast police experience will keep the reader on the edge of her seat at times and occasionally bring disgust upon learning of officials who failed society through their arrogance, incompetence, or impotence. At the same time, he clearly applauds the dedicated, competent, and hardworking. Beyond heart-wrenching accounts of tragic events, many in which the author was personally involved, he effortlessly traverses to romantic stories with a touch of humor. Unafraid of self-criticism, he is likely to bring delightful thought and encouragement to the unsuspecting reader. She will surely find in him a kindred spirit and a true friend, as his respect for women is clearly visible. Humility and deep thought emanate from this read, as the author adeptly mixes things up a bit to stimulate the mind all to benefit women in relationships with others, including their children. Finally, this work ties together one's present status with great future potential as it introduces a heartwarming destiny for any woman seeking the most of what life has to offer. Yes, *The Lady's Paladin: A Policeman's Guide for the American Woman and the Western Thinker* is based on both logic and a compilation of facts and evidence. It is truly an eye-opening work, unlike no other.
