Intentions Deborah Heiligman, 2013-05-14 Rachel thought she was grown up enough to accept that no one is perfect Her parents argue her grandmother has been acting strangely and her best friend doesn't want to talk to her But none of that could have prepared her to discover Rabbi Cohn her friend and beloved role model having an affair in the temple's sanctuary Now Rachel's trust in the people she loves is shattered and her newfound cynicism leads to reckless rebellion Her friends and family hardly recognize her and worse she can hardly recognize herself But how can the adults in her life lecture her about acting with kavanah intention when they are constantly making such horribly wrong decisions themselves This is a witty honest account of navigating the daunting line between losing innocence and entering adulthood all while figuring out who you really want to be
