

The background is an abstract composition. On the left, a portion of a violin's body is visible, rendered in warm, textured brushstrokes of red, orange, and yellow. To the right, several musical staves with notes are depicted in a similar warm, painterly style. The overall color palette is dominated by earthy tones like brown, red, and orange, with some cooler yellow and green accents. The text is overlaid on this background.

Sex Lives Of The Great Composers:

Sex Lives of the Great Composers Nigel Cawthorne, 2004-07 From the rock stars of their day Liszt and Chopin to the tortured double life of Tchaikovsky here are the most intimate details of the musical world **Lives of the Great**

Composers 3e Harold C Schonberg, 1997-04 Schonberg brings the reader closer to an identification with the composers he discusses and thus closer to an understanding of their music The book consequently places more emphasis on biographical details and less upon technical analysis of the music **The Lives and Times of the Great Composers** Michael

Steen, 2004 Gioachino Rossini was one of the most influential as well as one of the most industrious and emotionally complex of the great nineteenth century composers Between 1810 and 1829 he wrote thirty nine operas a body of work comic and serious which transformed Italian opera and radically altered the course of opera in France His retirement from operatic composition in 1829 at the age of 37 was widely assumed to be the act of a talented but lazy man In reality political events and a series of debilitating illnesses were the determining factors After drafting the Stabat mater in 1832 Rossini wrote no music of consequence for the best part of twenty five years before the clouds lifted and he began composing again in Paris in the late 1850s During this glorious Indian summer of his career he wrote 150 songs and solo piano pieces his Sins of Old Age and his final masterpiece the Petite Messe solennelle The image of Rossini as a gifted but feckless amateur the witty high spirited bon vivant who dashed off The Barber of Seville in a mere thirteen days persisted down the years until the centenary of his death in 1968 inaugurated a process of re evaluation by scholars performers and writers The original 1985 edition of Richard Osborn s Rossini redefined the life and provided detailed analyses of the complete Rossini oeuvre Twenty years on all Rossini s operas have been staged and recorded a Critical Edition of his works is well advanced and a scholarly edition of his correspondence including 250 previously unknown letters from Rossini to his parents is in progress BOOK JACKET

Swoon: Great Seducers and Why Women Love Them Betsy Prioleau, 2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to enswoon women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they ve finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova s conquests

remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women s record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve **Lives, Wives, and Loves of the Great**

Composers Fritz Spiegl,1997 He also includes some of the female composers such as Augusta Holmes and Maria Szymanowska who are only just becoming appreciated for their contributions to music Fritz Spiegl s treatment and disclosures however are not just idle gossip His concise use of biographical details gives a clear picture of each composer s musical career revealing how his emotional life came to influence his music and in some cases vice versa *Variation and change in the lexicon* Mark Kaunisto,2015-07-14 The present volume is a corpus based study of the occurrence variation and change in the use of English adjective pairs in ic and ical over several centuries The study involves the analysis of large multi million word corpora representing the English language at various stages It examines the nature of competition between the two affixes what kind of rivalry existed what kinds of words entered into competition and in what ways the rivalry was resolved The book presents close studies of six notably differentiated ic ical adjective pairs namely classic classical comic comical economic economical electric electrical historic historical and magic magical as well as commentaries on some 40 other ic ical pairs which manifest different types of shifts in use through history It also includes critical discussion of general perceptions on and approaches to the practical use of corpora stressing the importance of close and careful study of the materials under analysis It further emphasises the value of consulting a variety of sources alongside corpora including dictionaries and language usage manuals This volume is of interest to language scholars in many fields including corpus linguistics diachronic linguistics semantic change lexicology and word formation *Debussy Redux* Matthew

Brown,2012-04-09 In a study that is both scholarly and highly entertaining Matthew Brown explores pop culture s appropriations of Debussy s music in everything from 30s swing tunes 40s movie scores 50s lounge exotica 70s rock and animation 80s action films and Muzak The book however is far more than a compendium of fascinating borrowings The author uses these musical transfers to tackle some of the most fundamental aesthetic issues relevant to the music of all composers not just Debussy David Grayson Book jacket *The Encyclopedia of Best Films* Jay Robert Nash,2019-10-23 This all inclusive A Z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film s entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can

be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author s private collection
