New Intimacies, Old Desires Oishik Sircar, Dipika Jain, 2017-06-21 In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics Published by Zubaan *Sex and Uncertainty in the Body of Christ*

Susannah Cornwall, 2016-04-08 Mainstream Christian theology has valued the integrity of the body and the goodness of God reflected in creation However it has also asserted the complementarity of normal male and female physiology *Sex and Uncertainty in the Body of Christ* offers the first systematic theology of the intersexed body The book analyzes the theological implications of physical intersex conditions and their medical treatment The medical assumption of what constitutes male and female bodies is shown to raise essential questions about the meaning of incarnation and bodiliness The book argues for a theology that speaks to stigmatized and marginal bodies examining the impact of such a theology on sex marriage sexuality perfection healing and the resurrected body *Researching Families and Communities* Rosalind Edwards, 2008-04-29

Recent years have seen a concern with how family and community relationships have changed across the generations whether for better or worse and particularly how they have been affected by social and economic developments But how can we think about and research the nature of the present in relation to the past and vice versa *Researching Families and Communities Social and Generational Change* explores the concepts and perspectives that guide research and the methods

used to explore change during the last half of the twentieth century and into the new millennium It highlights the complexities of continuities alongside change the importance of the perspectives that shape investigation and the need to engage with situated data This edited text includes contributions from experts in their field who address these overarching trends explore the possibilities and practice of secondary analysis or replication studies as well as longitudinal large scale data sets discuss varied aspects of family and community life including sexuality ethnicity parenting resources older people intergenerational family life solo living and many others This book will appeal to academics and students interested in family and community across a range of social science disciplines and to those in the social research field **The World We Have Won** Jeffrey Weeks, 2007-06-21 This book explores the life changes since 1945 from welfarism to the pill and from globalization to individualization Rejecting the cultural pessimism it argues that this is a world we are increasingly making for ourselves a world we have won *Encyclopedia of Diversity in Education* James A. Banks, 2012-05-17 The diversity education literature both nationally and internationally is broad and diffuse Consequently there needs to be a systematic and logical way to organize and present the state of research for students and professionals American citizens need to understand the dynamics of their increasingly diverse communities and institutions and the global world in which we live work and lead With continually evolving information on diversity policies practices and programs it is important to have one place where students scholars teachers and policymakers can examine and explore research policy and practice issues and find answers to important questions about how diversity in U S education enriched with theories research and practices in other nations are explained and communicated and how they affect institutional change at both the K 12 and postsecondary levels With about 700 signed entries with cross references and recommended readings the *Encyclopedia of Diversity in Education* 4 volumes in both print and electronic formats will present research and statistics case studies and best practices policies and programs at pre and postsecondary levels Diversity is a worldwide phenomenon and while most of the entries in the *Encyclopedia* will focus on the United States diversity issues and developments in nations around the world including the United States are intricately connected Consequently to illuminate the many aspects of diversity this volume will contain entries from different nations in the world in order to illuminate the myriad aspects of diversity From A to Z this *Encyclopedia* will cover the full spectrum of diversity issues including race class gender religion language exceptionality and the global dimensions of diversity as they relate to education This four volume reference work will be the definitive reference for diversity issues in education in the United States and the world *Routledge Handbook of Sexuality, Gender, Health and Rights* Peter Aggleton, Rob Cover, Carmen H.
