Make a Model Edwardian Shop Parragon Book Service Limited, Service Limited, 1986 *Books*, 1987 **Edwardian Shop**, 1987 **Make a Model Haunted House** Parragon Book Service Limited, 2021-06-08 In *Shopping for Pleasure* Erika Rappaport, 2021-06-08 In *Shopping for Pleasure* Erika Rappaport reconstructs London's Victorian and Edwardian West End as an entertainment and retail center. In this neighborhood of stately homes, royal palaces, and spacious parks and squares, a dramatic transformation unfolded that ultimately changed the meaning of femininity and the lives of women, shaping their experience of modernity. Rappaport illuminates the various forces of the period that encouraged and discouraged women's enjoyment of public life and particularly shows how shopping came to be seen as the quintessential leisure activity for middle and upper class women. Through extensive histories of department stores, women's magazines, clubs, tearooms, restaurants, and the theater, as interwoven sites of consumption, *Shopping for Pleasure* uncovers how a new female urban culture emerged before and after the turn of the twentieth century. Moving beyond the question of whether shopping promoted or limited women's freedom, the author draws on diverse sources to explore how business practices, legal decisions, and cultural changes affected women in the market. In particular, she focuses on how and why stores presented themselves as pleasurable, secure places for the urban woman, in some cases defining themselves as instrumental to civic improvement and women's emancipation. Rappaport also considers such influences as merchandizing strategies, credit policies, changes in public transportation, feminism, and the financial balance of power within the home. *Shopping for Pleasure* is thus both a social and cultural history of the West End, but on a broader scale, it reveals the essential interplay between the rise of consumer society, the birth of modern femininity, and the making of contemporary London.

Making Edwardian Costumes for Women Suzanne Rowland, 2016-02-29 Edwardian fashions for women were characterized by the S-shaped silhouette embellished with lace, tucks, ruffles, tassels, frills, and flounces. This essential book includes eleven detailed projects which form a capsule collection of clothing and accessories that might have been worn by an Edwardian governess, a woman travelling on an ocean liner, a campaigning suffragette, or a wife overseeing a busy household in a large country house. It explains making sequences in full and advises in detail on how to give the garments a fine, authentic finish. Eleven detailed projects are included, based on the dress collections at Royal Pavilion Museums, Brighton, Hove, and Worthing Museum and Art Gallery. Each project includes a detailed description of the original garment, with an accompanying illustration, alongside photographs of the original pieces, and scaled patterns are included for all projects, with a list of materials and equipment required. Includes step-by-step instructions with information about the original techniques used, and close-up photographs of the making process, with further chapters on tools and equipment, fabrics, measurements, and sizes, and how to wear Edwardian fashion, with ideas on creating new outfits from the featured projects. Also includes advice on how to adapt garments to make them suitable for both wealthy, leisured women and for their poorer counterparts. Aimed at costume makers, museums, and re-enactors, and beautifully illustrated with 200 colour
