Bookbuyers' Reference Book ,1993 **Financial Autonomy** Paul Benson,2022-01-01 Financial Autonomy is a fresh

innovative book about money But unlike most money books it's not focused on making you the richest person in your street or worse the richest person in the cemetery Instead the focus of this book is on gaining choice What can you do on the money side of your life to provide you with the choice to pursue maximum happiness in all the other aspects of your life Have you ever listened to a guest on a radio program or a speaker at an event talking about some amazing experience they've had Perhaps it was traveling through Tibet in a beaten up Land Rover sailing around the world jumping out of planes in a wing suit or starting a business or charity of their own driven by a magnitude 10 passion to make an impact And when listening to these inspiring stories have you ever wondered how they managed to organise their life so that it was possible Do you wish you could organise your life to do what's important to you Financial Autonomy is a book about money but it's equally about gaining choice If you get the money side of your life right you will have the choice to pursue maximum happiness in all the other aspects of your life Personal finance expert Paul Benson believes there are three vehicles to create enough wealth to have the choices you desire are 1 Investing in shares 2 Investing in property and 3 Working for yourself starting a side hustle or small business He explores these in detail as well budgeting and saving and as you'd expect he gives readers a choice of strategies they can adopt to succeed in these areas
